

INTRODUCTION TO JUNIOR TOURNAMENT DIRECTOR'S HANDBOOK

The Carolina Region is always looking for safe, well-maintained gyms in which camps, tournaments and clinics can be conducted for its members. These sites may be a public or private school, a YMCA, a Park & Recreation Center, a college or other location.

The purpose of obtaining these sites is to benefit the members of the Carolina Region in some manner and to further the purpose for which the Region has been organized, namely, the promotion of the sport of volleyball.

The Tournament Director assumes responsibility for conduct of the tournament, enforcement of the rules of the facility, posting and reporting results, purchase of awards and cost of conducting the tournament. The Region, through USA Volleyball (USAV), provides liability, health and accident insurance coverage for REGISTERED participants, REGISTERED hosts and the facility. The Region determines the tournament format, collects tournament entry fees, contacts teams in the tournament concerning information regarding tournaments and retains a sanction fee for each entered team.

This handbook covers the conduct of the most popular of all sanctioned events, the tournament, and is part of the sanction contract. These guidelines help the tournament director organize the tournament and it spells out the tournament director's responsibilities.

The members of the Carolina Region (through its Board of Directors) and USA Volleyball (through the Regional Commissioner and the printed GUIDE) establish these tournament guidelines. The Tournament Director may make application for a waiver of specific rules and/or regulations by completing the designated portion of the Tournament Sanction Request Form. Complete details of the requested waiver are to be written on the form prior to issuance of a sanction to conduct the tournament. In no event is the Tournament Director to deviate from these guidelines without the express permission from the Executive Director or the applicable Junior Representative. All participants in a tournament have the right to examine the sanction document to verify compliance.

This Junior Tournament Director's Handbook supersedes all previously published Tournament Director's Handbooks in the Carolina Region. In the event there is a conflict between this handbook and another USAV or Carolina Region publication, this handbook is to be followed and the discrepancies forwarded to the Region Office.

TOURNAMENT SANCTION PROCESS

Carolina Region Junior Volleyball tournament scheduling will begin in conjunction with the Carolina Region Board of Directors summer retreat. All requests for tournament dates and divisions (put “any” if willing to host any division on that date) should be made to the Region Office beginning September 1st for the following season. A Tournament Sanction Request Form is included in this handbook. This should be filled out and mailed to the Region Office as soon as possible, stating the desired tournament date. The tournament requests are taken on a first-come, first-serve basis. You may contact the Region Office to find out if the date requested is available. If you send in your Tournament Sanction Request Form you will be contacted of your status as soon as possible, but the full Junior schedule cannot be confirmed until mid-January once the current year’s registration information is known. Please indicate how many courts you have available, what age division you would like to host (or “any” if flexible), and the exact location of your tournament. Do not send any money with your Tournament Sanction Request Form. All requests received prior to November 1st will receive first priority. All Sanction Request forms should be received by the Region Office at least eight weeks prior to the scheduled tournament date. In the case of conflicting sanction requests, the tournament directors involved will be contacted and a compromise will be negotiated. If a tournament fills well in advance, a second tournament at the same classification may be sanctioned if a request is received.

TOURNAMENT SANCTION REQUEST FORMS:

Tournament Sanction Request Forms may be obtained by contacting the Region Office. A copy of this form is also included in the back of this manual and it is available at the Region’s web site (<http://www.CarolinaRegionVB.org/TrnDir/>). This form must be completed and mailed back to Region Office at least eight weeks prior to the tournament date providing complete details regarding facilities, location, format (including multi-site playoffs) and classification of teams. Approved formats are detailed later in this handbook. Upon receipt of this form, you may be contacted by the Region Office for evaluation of each facility as discussed later in this section. Tournament Directors anticipating any deviation from Tournament Guidelines must also file a request for waiver with the **REGION OFFICE**.

SANCTION AGREEMENT:

If a Sanction Request is received at least eight weeks in advance of the tournament date and a sanction is later granted for that tournament, then the Region will guarantee to the Tournament Director:

- (1) that all efforts will be made to use the Tournament Director’s facilities to their maximum;
- (2) that by the Monday after the tournament’s entry deadline (three weeks before the tournament), the Carolina Region will guarantee the number of courts to be used for the tournament, and;
- (3) that the Tournament Director will receive payment for at least four (4) teams per guaranteed court (on average for the entire tournament including Saturday-Sunday tournaments).

No guarantees will be given for sanction requests submitted within eight weeks of the tournament. The above policy may be amended upon mutual agreement by the Carolina Region and the independent Tournament Director.

Please keep your signed Tournament Sanction Agreement Form at the Tournament Director’s table for possible review by players and team personnel.

SANCTION FEES:

The Carolina Region Office will receive all tournament entry fees from teams wishing to enter a tournament (except Asheville Junior Hi Neighbor or other special two-day sanctioned Events). Once all tournament reporting requirements have been met as outlined in the POST TOURNAMENT DUTIES, the Carolina Region Office will mail the tournament director their share of the entry fees **LESS** the Region Expenses below:

If on schedule by December 1:

1. \$10.00 per team administrative fee
2. \$35.00 per team for Officials
3. \$5.00 per team for a certified Trainer
4. \$15.00 sanction fee
5. \$1.00 for each team over ten teams

If on schedule after December 1, but eight weeks in advance of tournament:

1. \$15.00 per team administrative fee
2. \$35.00 per team for Officials
3. \$5.00 per team for a certified Trainer
4. \$15.00 sanction fee
5. \$1.00 for each team over ten teams.

Tournament Directors will get the \$5.00 per team withheld for certified trainers with **written** proof of the presence of a trainer the entire day of the tournament. A Red Cross CPR/First Aid certification is the minimum requirement to qualify for the Trainer's fee (see page 6 for more information).

A \$100.00 sanction penalty will also be deducted if the tournament reporting requirements are not met.

Due to unforeseen tournament entry withdrawals, the balance of the entry fees forwarded could be adjusted as follows: If a team withdraws from the tournament prior to the day of the tournament and the Carolina Region replaces that team, the Tournament Director will receive the entry for the replacement team only. If a team withdraws after the Region Office sends the established pools to the Tournament Director, then the Tournament Director and the Carolina Region will split the entry fee less the appropriate sanction fees. If a team does not show the day of the tournament, then the Tournament Director is awarded the team entry fee.

FACILITY EVALUATION PROCESS:

To ensure a safe and adequate environment for competition, the Tournament Coordination Committee will evaluate every playing site that may be utilized for all tournaments. A list of all sites must be submitted to the Tournament Coordinator at least eight weeks prior to the tournament for evaluation. The condition of equipment, court clearances, and court obstructions will be evaluated to set ground rules during the visit. You will be notified immediately if a site is considered unsuitable. If the size of a tournament is reduced due to unsuitable sites, then some divisions may be awarded to another city. See the enclosed Tournament Evaluation Form to review the issues that will be addressed during the evaluation (The form is for your information only. Do not fill out or return. This form has to be completed by a Region Board member or staff).

Before the tournament, it is the Tournament Director's responsibility to examine the facility (including floors/tape damage, equipment, hallways, parking lots, etc.) for damage in existence **BEFORE** a sanctioned volleyball event. Any prior damage should be brought to the facility owner/director's attention and documented in writing to protect the tournament director and the Region from damages claims that were not associated with the sanctioned volleyball event.

NOTIFICATION OF ACCEPTANCE (REJECTION):

The Tournament Director will be notified of a rejection of the Tournament Sanction Request by mail, email, or phone as soon as possible. However, Tournament Sanctions cannot be approved or rejected until the Region gets some idea of the number of teams registering for the current season. All efforts will be made to notify Tournament Directors of their status by late-December to early-January. If accepted, the tournament will be included on the tournament schedule and a Tournament Sanction Agreement will be mailed to the Tournament Director for review to complete the Sanctioning process. A Tournament Packet which will include the following will be posted to web site or mailed from the office at the following timelines (tournament entry deadline is three weeks before the tournament date):

1. Current Tournament Schedule (posted online)
2. Current Region Points Standings (posted online)
3. List of teams in the tournament in their assigned pools (emailed one week before)
4. List of ineligible teams and players unable to play due to Regional sanctions (if applicable)
5. Official Carolina Region team rosters (emailed one week before tournament)

The Region Office will announce all information needed (directions, pools, etc.) to those teams entered in your tournament on the Web page or by mail, if necessary. The following forms are included with this Handbook for your convenience:

1. Official Tournament Entry Form (teams will have their own copies)
2. Facility Evaluation Form (for review only. Do not fill out or return to Region)
3. Score sheets and Lineup Sheet (**NOTE:** use 2010 forms. Please copy and use these!)
4. Blank team roster (suitable for copying if needed)
5. Tournament Evaluation Form (suitable for copying to distribute at Coaches' Meeting)
6. Insurance Forms (have copies available at each site)
7. Official Results Report Form (to report Results)
8. Official's Pay Report (to verify the adult officials at your tournament)
9. Regional Policy Violation Form
10. Various Playing Format Guidelines
11. Carolina Region Board of Directors List

EXCEPTIONS:

Once a Tournament Sanction Form has been approved and the tournament is placed on the schedule, there cannot be any exceptions to format, number of teams per court, or awards offered without the approval of Region Staff. Tournament Sanction Forms should reflect what is happening in the tournament. Changes can be made before the tournament as long as the Carolina Region is advised and approves. In the interest of competition, the Region staff is authorized to waive the sanction and tournament entry deadlines.

WAIVERS:

Waivers or exceptions to normal Carolina Region Guidelines may be requested by the Tournament Director at the time of the Tournament Sanction Form or at any point thereafter. Requests for waivers should be made to the Region Office. Examples of waivers include, but are not limited to, the following:

1. Deadline for requesting tournament sanctions eight weeks in advance
2. Amount of team entry fees because of special circumstances
3. Any variation to standard pool playing format
4. Double/single elimination playing format
5. Multi-site playoff format
6. Starting play at time other than 9:00 am
7. Non-wood/non-abrasive playing surfaces
8. Non-standard referee stands (e.g. chairs, ladders, tables)

TOURNAMENT ENTRY CLARIFICATION

A sanction issued to conduct a tournament is strictly for the division(s) for which it is issued and covers the conditions outlined in the application and the sanction. Generally, only one tournament of any one division (i.e. 16 Silver) will be sanctioned for any one weekend in the Region. Depending on the number of teams in each age group, PLATINUM, GOLD, SILVER, BRONZE, COPPER and NICKEL (new for 2010) divisions will be created (or more if needed) and will have tournaments each Junior's weekend. Rarely will two tournaments be scheduled for the same division (could be done if only one court is available at each of two sites, and only if the first tournament scheduled fills). Based on the availability of facilities, the Region will attempt to sanction a tournament for every age division each applicable weekend.

ENTRY FEES:

The Carolina Region limits tournament entry fees to \$130.00 excluding the Asheville Junior Hi Neighbor Tournament (or other two-day events that may be sanctioned), which sets their own entry fees. Entries to that tournament go directly to the Biltmore Volleyball Academy/Asheville Parks & Recreation Department. All team reps should check the Jr Hi Neighbor tournaments website (linked from our schedule) sometime in January for a tournament entry form and additional information on that event (Do not send entries to the Carolina Region – we will not forward). The 2010 Regional Championships entry fee for all divisions will be \$150.

ACCEPTING ENTRIES:

All tournament entries should be received by the Carolina Region Office at least three weeks prior to the tournament scheduled date (except Asheville Junior Hi Neighbor, Quest, or other special tournaments). Entries will be accepted on the basis of date received within the guidelines for order of acceptance detailed below. If a team is closed out of the previous tournament, the team will be guaranteed a spot in the next possible tournament on the schedule if its' next entry is valid and arrives before the next tournament's deadline.

If there is an opening, teams may be allowed to enter after the registration deadline with a \$25.00 surcharge. If several entries are received on the same day and cause the team quota established for the tournament to be exceeded, entries will be accepted by random choice. Rejected tournament entry fees can be applied to the next tournament. **No entries will be accepted without properly completed Carolina Region entry form and fee.**

ORDER OF ACCEPTANCE (valid and on time):

1. Carolina Region Junior teams bumped from previous tournament in same division
2. Carolina Region Junior teams entered within the division
3. Out-of-Region Junior teams within the division
4. Junior out-of-division teams if approved by the Tournament Coordinator

LATE ENTRIES ORDER OF ACCEPTANCE (as received with \$25.00 surcharge):

1. Carolina Region Junior teams within the division
2. Out-of-Region Junior teams within the division
3. Junior out-of-division teams if approved by the Region

REFUNDS:

The Carolina Region Office must be notified immediately of any teams withdrawing from the tournament. Failure to notify the Region Office or Tournament Director of a withdrawal will result in a \$50 or higher fine. Teams that have been accepted into a tournament shall receive a full refund if they cancel at least two weeks prior to the tournament date. Teams withdrawing 1 to 2 weeks before the tournament shall forfeit all entry fees unless the Region Office is able to replace the team in the tournament. If a replacement is found, only 50% of the entry fee will be refunded. The entry fee will not be refunded for withdrawals within seven days of the tournament playing date, for whatever reason. Teams may petition the Board at any time for refunds.

STATUS OF ENTRY:

Teams that send entries in for specific tournaments shall assume they are in the tournament unless they hear otherwise. If a team is not accepted in any tournament entered, the team representative will be notified immediately by email or phone. Teams should also check their acceptance into tournaments on the Region Web page at our Points System site (<http://points.crvb.org/>). Pool information will be placed on the Points System one week in advance of the tournament.

TOURNAMENT INCLEMENT WEATHER POLICY:

This policy outlines the rights and responsibilities for the Region, individuals, teams, and Tournament Directors involved with sanctioned tournaments when weather conditions become a concern. **All of the above listed entities must realize that they bear a monetary risk of hosting and/or entering tournaments during the winter months.**

In the event of inclement weather, each individual and team must make the decision whether or not to attend a tournament. This decision may be made regardless of the decisions of other local teams. Should inclement weather cause a team to decide not to attend a tournament, the team captain or other team representative must notify the Tournament Director and the Region Office immediately. Failure to notify may cause the team to be sanctioned in accordance with the tournament entry/withdrawal policy. If a team has decided to attend but is concerned of the status of the tournament, a team representative should see the Region's points system page with that specific tournament's information first, as we will always keep that up-to-date. If tournaments are canceled we will also update our phone answering machine if possible so a Rep can call the Region Office after 5:00 pm for the latest information. However, generally speaking, the Region will make every effort to hold a tournament. The Region will almost NEVER cancel a tournament based on "predicted" weather. For bad weather that strikes one to two days before the tournament, the **tournament WILL BE HELD** unless teams are otherwise notified (cancelled tournament information will be on web page and answering machine [after 5 pm please] and an attempt will be made to notify all teams. Please check these sources before contacting the Region Office. If you must contact the Office, please have only the club/team rep contact the office so duplicate inquiries from the same club/team can be avoided). For inclement weather the day of the tournament, it is unlikely that a tournament director could contact all teams beforehand, so the tournament will be held for all teams that are able to make it (unless severe weather conditions restrict tournament director from facilities).

The Tournament Director is responsible to provide a safe playing environment. If local conditions warrant canceling the tournament or changing a playing site, the Tournament Director must consult with the Region Office immediately. The Region reserves the right to cancel a tournament after consultation with the Tournament Director. The President, Board Rep of the affected division (adult or junior), or Region Staff (in that order) will be charged with deciding whether to cancel a tournament on behalf of the Region. Once a decision has been made, the Tournament Director should also call each team representative notifying of the cancellation or site change. The Tournament Director may also enlist a team representative to help call other teams from the same area.

If at all possible, the Region Office will record a message on the hotline about the tournament cancellation or site change and update the Web page as quickly as possible after consultation with the Tournament Director (of course power outages, bad traveling conditions, or current staff travel plans may affect staff's opportunities to update the answering machine and/or website). If a team does not attend a tournament due to inclement weather but notifies either the Tournament Director or the Region Office, the Region Board of Directors will automatically decide if the team's entry fee will be allocated to another tournament or if the fee will be forfeited based on each team's unique situation. If the team does not notify the Tournament Director or Region Office of their withdrawal from the tournament, then they must submit a written petition to the Board to try to recover their entry fee. If a tournament is canceled by the Region, each team's entry fee will be allocated to the next tournament the team wishes to enter. Teams still must submit a tournament entry by the appropriate deadline for the tournament they wish to use their credit. If a tournament is canceled, the Tournament Director may request reimbursement from the Region for any documented expenses not to exceed 75% of the amount they would have received. Realizing that the director may have already received an advance from the Region, a reimbursement to the Region may be necessary from the director.

TOURNAMENT ADMINISTRATION

SITE MANAGER:

Tournaments are required to have a non-playing Site Manager whose sole responsibility it is to keep the tournament on schedule and accurately record the results for each facility. Tournament Directors and Site Managers (can be same as Tournament Director) must be Carolina Region members (insurance requirement).

COURT MANAGER:

A playing or non-playing Court Manager is recommended for each court whose sole responsibility is to keep the court on schedule.

FACILITY ADMISSIONS:

It is against Carolina Region policy to charge admission to Carolina Region sanctioned tournaments. Waivers for extenuating circumstances may be requested on the Sanction Agreement but require prior approval before an admission fee can be charged.

AWARDS:

The Tournament Director is required as a minimum to supply awards for the first and second place team. The awards must be individual awards for the first place team, and it is highly recommended that individual awards be provided for the second place team in multi-court tournaments. The awards for Junior competitions may **only** include plaques, trophies, medals, etc. There can be no awards which have any intrinsic value such as t-shirts, socks, bags, water bottles, shorts, etc. This is a NC High School Athletic Association (NCHSAA) requirement to maintain scholastic eligibility. If there is any question whether an award is suitable, contact the Region Office or NCHSAA (919/962-2345). The Carolina Region's preferred vendor is Awards North out of Huntersville. For guaranteed low prices, contact them at 704.947.9933 or info@awardsnorth.com. Mention to them that you are a Carolina Region Volleyball Tournament Director.

REFEREES:

The Officials Program Director (or their designee) will assign all adult referees for Junior tournaments (as available). Efforts will be made to staff the younger age groups first. The Tournament Director should meet with the Head Referee before the Coaches' Meeting to coordinate schedules and activities. All Junior teams must provide a certified first referee, second referee, scorekeeper, Libero Tracker, and lines people for all pool play matches. **NOTE:** Each Junior team must also have an Adult on their roster that has been certified as an official. The certified Adult may not officiate for the team but is to physically supervise their team while in the vicinity of the score table at all times during their team's officiating assignments to assist the paid official. Incomplete work teams (including the certified coach/rostered adult that is not present near the score table) may be penalized one point per-minute that they are incomplete to a maximum of 25 points off their next match. The paid official shall monitor the work team and assess the penalty points as needed. Where available, paid adult officials will work all play-off matches (including matches/sets to break ties).

TRAINERS:

The Tournament Director is required to provide a non-participant trainer at each site. Five dollars from each entry fee is designated for this purpose. Contact local colleges and high schools for candidates. The five dollars per team will be withheld until written proof of the presence of a trainer and a copy of the trainer's current certification is forwarded to the Office. A Red Cross CPR/First Aid certification is the minimum requirement to qualify for the Trainer's fee. Trainers are required to be non-participating, i.e. a coach of a participating team cannot be the tournament's trainer. Tournament Directors should make it clear to the trainers that they are being hired as independent contractors for the tournament.

EQUIPMENT/SUPPLIES CHECKLIST:

1. Awards for 1st place and 2nd place winners
2. One Tournament Director's table
3. Master pool play and playoff poster including officiating assignments
4. Marking pens to be used to record results on pool play and playoff posters
5. Current USAV rule book and current Carolina Region Handbook for the Tournament Director's table
6. Several trash cans strategically located
7. Suitable bins for recyclable trash
8. Posters indicating location of eating area
9. First aid kit (including ice)
10. Miscellaneous-Masking tape, measuring tape for checking net height, tape and staples, paper clips, and boxes to keep completed score sheets and team rosters in order
11. Forms: Tournament Evaluation, Referee's Rating Sheet, Insurance forms

PER COURT SUPPLIES

12. Two standards, net, two antennas, one referee's stand
13. Padding for standards, ref stand, exposed cables, or other hard surfaces
14. One Scorekeeper's table and two chairs
15. One new or nearly new USAV approved game ball (see Trn Dir section at web site for list)
16. Officiating supplies:
 - a. USAV score sheets and lineup sheets (Use updated 2010 sheets and be sure to include third/fifth set Score sheets if applicable)
 - b. Pencils and Black/blue pen (score sheets use pencils now)
 - c. Visible scoreboard
 - d. Coin for coin toss
 - e. Small pool play schedule taped to each scorekeeping table showing match numbers, teams playing and officiating assignments

REGION EQUIPMENT & SUPPLIES:

The Carolina Region has purchased for the use by its members the following equipment:

1. Two (2) pairs of net antennae
2. Four (4) flip score boards

The Tournament Director should submit to the Carolina Region Office all equipment and supply requests in writing at least two weeks before the tournament. The Tournament Director will be responsible for pick-up/delivery and all stolen or damaged equipment.

FLOOR TAPE – Some facilities are having problems with temporary floor tape that is put down for tournaments. USA Volleyball recommends Tournament Directors use Shurtape floor tape #724 which has a quick release adhesive designed to minimize, if not eliminate, damage to floors. You can place orders for this tape by calling Harrison Brothers, Inc at 877-863-6150. If you use any other type of tape, you will be subject to a \$5000 deductible on any claims made for damage caused by other types of tape. Please see the Floor Tape memo in back of this handbook for more options and information.

RECYCLABLE RECEPTACLES:

Tournament Directors need to be aware of, and prepared for, the tremendous volume of trash that will accumulate during a day of play. Everything from drink cans, bottles, and newspapers to discarded ankle tape will be left strewn about the gyms. Providing receptacles for this trash will greatly aid in your clean-up efforts. We urge tournament directors to install well-marked "Glass" and Aluminum Cans" bins (at the very least) in each gym. Local recycling centers should be contacted for suitable bins. If given the opportunity, people are very willing to place their recyclable trash in the appropriate bins.

ROSTER CHECK:

Once a tournament has been filled, the Carolina Region Office will supply the Tournament Director with valid rosters to verify that all teams accepted into the tournament have been properly registered. These rosters should be distributed at the Coaches' Meeting, verified/signed by the Coach, and displayed at the Scorer's Table during the tournament. **It is the responsibility of the Tournament Director (as well as site/court managers) to insure that only eligible players compete.** Only those players listed on the rosters received from the office (or phoned/emailed to Tournament Director by Office) are eligible to play, unless the team is a member of a club and they have a player movement form from the club attached to the roster. ALL Junior Clubs may utilize the Club Player Movement policy but may only borrow players from within their own club. All Boys teams in the Carolina Region are considered part of the same Club and may borrow players under the Club Player Movement Policy from any other Boys team in the Region. When there is no official roster form available for a team (rare), court managers should verify eligibility by checking USAV membership cards (individuals can print from the system this year) and photo IDs. In the event of any further problems involving team rosters or any other eligibility questions, the Executive Director may be reached on his cell phone. A message can be left if no one answers. The Executive Director will get back with you as soon as possible, but be aware that he may be involved with a junior tournament elsewhere or traveling. All efforts will be made to return calls as soon as possible.

SEEDING AND ARRANGING POOLS:

Once a tournament has been filled, the Carolina Region will then determine how teams will be divided between pools and the seeding of teams within those pools. A Points Standings will be utilized again this season for juniors for the sole purpose of seeding tournaments and arranging pools. Generally, the seeded teams in pools will be placed in the following pool placements: (1) 4-team pool – all teams seeded in spots 1-4; (2) 5-team pool – all teams seeded in spots 1-5; (3) 6-team pool – 3rd and 6th positions; and (4) 7-team pool – all teams seeded in spots 1-7. Some teams may receive special consideration into the other slots to accommodate driving time. The Tournament Director/Site Manager is required to abide by the pool seeds and placements.

COACHES' MEETING:

The Tournament Director/Site Manager must conduct a Coaches' Meeting thirty minutes prior to the start of play. Team Representatives from every team should be present. **AGAIN FOR 2010:** Each team must have a rep at this meeting (coach, player, parent, coach from another team in SAME club, etc. are all OK). If a team is not represented and does not make an effort to notify the Tournament Director why they are late (tournament directors are requested to provide a cell phone number or gym phone number this season for this purpose. Numbers will be added to schedule), but later shows (use normal procedure – page 11 – before dropping from tournament), then the Tournament Director has the option of forfeiting that team's first game of the day. If the Head Coach of a Junior team is under the age of 25, the team must have on the roster either a registered adult over the age of 25 as assistant coach or a chaperone, preferably of the same sex as the team. This adult must be identified at the Coaches Meeting as present at the tournament in order for the team to participate.

During the Coaches' Meeting:

1. All teams should update and initial rosters prior to the first match of the day. Players listed on the roster who are not in attendance should be crossed out. New players (that are authorized by Region Office) not listed on the roster should be added, their registration numbers listed, and their membership cards checked. Uniform numbers for each player listed must be provided by each team representative. **Tournament Directors are responsible for verifying the accuracy of rosters.**
2. Announce that Team coaches are requested to go on the Carolina Region's website and complete a Tournament Evaluation after each tournament. The Region has instituted a check out policy – all teams must check out of the tournament with the Tournament Director before leaving. This should insure that teams don't leave without fulfilling their officiating duties. Teams that leave without checking out may be subject to sanctions and should be reported to the Region with the Regional Policy Violation Form.
3. Lunch break (if applicable) should be established.
4. Rules particular to the host facility such as food, drink, etc. should be discussed.
5. Recognize available Referee Raters (if available).
6. Sanction waivers granted should be discussed.
7. Ground rules should be reviewed.
8. Inform all Team Reps that intentional forfeits except by injury may be treated as a Code of Conduct violation by the Region and offending teams may be subject to sanction.
9. Semi-finals and finals officiating duties should be established. Notify teams that leaving without fulfilling an officiating duty is an automatic \$50 fine and leaving after being specifically told by the Tournament Director their team is officiating will be reported to the Region as a Code of Conduct violation which carries additional penalties which may include suspension of the team from future competitions.
10. Pool play format, playoff format, and officiating assignment should be discussed. See page 13

- for updated playoff discussion.
11. Designate a protest committee which shall consist of the Tournament Director and two other persons, preferably regional officers or officials.

STARTING ON TIME/WARM_UPS:

All tournament play will begin at 9:00 am with the Coaches' Meeting taking place at 8:30 am. Timed warmups for the first match should begin at 8:50 am, so play begins at 9:00 am. Playing teams will be allowed ten minutes of warm-up for their first match of the day (two minutes warm-up on court, 4 minutes on court for each team). After every team has played at least one match, the warm-up will be eight minutes long (4-4 with serving within the team's time on court). **There will be no Shared Hitting for warm-ups. Playoff Warm-ups:** For a team's first match of the playoffs, the warm-ups will be ten minutes (2-4-4). Subsequent rounds of playoffs will be 4-4. Tournaments will conclude at a reasonable hour when excessive delays between matches and/or games are eliminated.

TOURNAMENT VENDOR POLICY:

Vendors are strictly prohibited from displaying and/or selling their merchandise at sanctioned tournaments without the expressed consent of the Carolina Region. All vendors (including junior booster clubs, facility owners, etc.) must purchase a Vendor's license in order to sell food or merchandise at Region sanctioned events. The Tournament Sanction Agreement will have an area for the Tournament Director to fill out indicating what will be sold at the tournament (food, drinks, t-shirts, etc.). Vending licenses will be \$5 per court (maximum of \$20) per tournament or a season license may be purchased for \$100 (The license excludes the National Bid Tournaments and the Regional Championships, which must be negotiated separately with the Region). Season vendor license holders would still have to contact and negotiate with individual Tournament Directors for the right to set up at any sanctioned tournament. The Region should always be notified when vendors are selling at tournaments (even if it's an approved season vendor).

COURT USAGE:

Tournament Directors are prohibited from allowing outside groups to use courts/space (even if not in use by the tournament) in the same gym space as a sanctioned tournament without the expressed written consent of Region Staff. Two or more separate gyms at the same campus/facility would not be governed by this policy.

REPORTING ACCIDENTS:

Each Tournament Director should have two types of report forms, a USAV Incident Report form and a Medical Claim form. Copies are included. It is important that any injuries or accidents that occur during a sanctioned event or during travel to or from a sanctioned event be documented on the Incident Report form. The insurance company uses the data collected from forms submitted from across the country to document what types of injuries and accidents are occurring at tournaments and to set insurance rates for USA Volleyball. Please fill out the form completely and accurately giving as much detail to the explanation of the incident as possible (i.e. "sprained ankle" doesn't tell much about how the incident occurred). The form should be filled out by the Tournament Director, Club Director, Coach, or an attending USA Volleyball representative (Carolina Region Board member or staff). The original form should immediately be sent directly to the address on the form and a copy should be sent to the Carolina Region Office (include note that you have sent to insurance company also so we do not send duplicate reports).

FORMS/MATERIALS:

All the forms and materials you should need for hosting a successful volleyball event follow in the pages to come. We have created a section of our web site devoted just for Tournament Directors. If you lose any of these forms, you can download replacement forms at this section. You will need to download Adobe Acrobat Reader (free download from adobe.com) to view and print these documents. We hope you will find this section useful. Please let the Region Office know if there are forms you would like added to the section. The Tournament Director Section can be found at: www.CarolinaRegionVB.org/TrnDir/

ALCOHOL POLICY/PARTICIPANT/SPECTATOR BEHAVIOR POLICY:

The sale and/or consumption of alcoholic beverages is prohibited at all Carolina Region events unless specifically permitted by the facility and a Tournament Sanction exception is granted. Most facilities used by the Region do not permit the consumption of alcoholic beverages on site. An individual in violation of this rule is considered in violation of the Code of Conduct and is subject to a fine and/or suspension. Tournament Directors have the right to immediately remove an individual(s) from the tournament for violating this policy and the incident should be reported in detail on the Region Violation Form.

Similarly, the Carolina Region has implemented a Participant/Spectator Behavior Policy to be in effect at all sanctioned events. The full policy is included at the back of this Handbook. Please be sure to review the policy completely and be prepared to enforce it. All incidents should be reported to the Region Office within 48 hours of the event on the included Report form (please distribute additional report forms to any witnesses also). Tournament Directors have the responsibility to provide a safe and fun environment for all participants, so please help us keep our events enjoyable for all.

INTENTIONAL FORFEITS:

A few teams in the past that qualify for playoffs early in Pool Play have voluntarily forfeited their last match of pool play to “rest up” for the playoffs. By forfeiting pool play matches, these teams are taking a playing opportunity away from another team that has paid their entry fee in the expectation of playing volleyball. An important objective for the Region in sponsoring volleyball competition is for teams to have fun and enjoy the sport of volleyball. Intentional forfeits in pool play causes at least one team to lose a playing opportunity, and thus, reduces their enjoyment of the event. For that reason, the Carolina Region Board of Directors has decided that intentional forfeits in pool play other than due to injury (in which case they probably should not be playing in playoffs as they did not have a valid sub) may be treated as a Code of Conduct Violation. Specifically, this is “conduct which is inappropriate as determined by comparison to normally accepted behavior”. If this situation arises in your tournament, inform the Captain again (should inform at Captain’s meeting also) that the Carolina Region may treat intentional forfeits as a Code of Conduct violation with penalties ranging from \$50 fines to suspension of memberships. If the team still elects to forfeit even if they later make the playoffs, let them play. After the tournament, please fill out a Region Violation Form completely with all the details and send to the Region Office. The Region will handle it from there. Hopefully this situation will not arise and everyone will enjoy the sport for the right reasons.

OFFICIATING ASSIGNMENT AND TOURNAMENT FORMAT CLARIFICATIONS:

A working schedule, including playoff games, should be posted prior to the first match so that teams will be properly informed as to their respective responsibilities. Teams finishing in **LAST** place in pool play competition will be responsible for officiating the first level of playoff competition. The losing teams of the playoff matches will share responsibility for officiating the next level of competition. Factors that should be considered in deciding which team officiates would include distance to travel and which semifinal match is completed first. The Tournament Director will have final authority in this area and should establish this in the Coaches' Meeting. Any teams not fulfilling these assignments will be subject to Regional sanctions. **The paid adult officials should be working as First referee for all playoff matches (including to break ties at end of pool play!).**

EMERGENCY SITUATIONS:

Before the day of the tournament, when a team drops out of the tournament, the Region will 1) replace the team dropping out with a team from the waiting list or 2) change to another tournament format if pools or seeding cannot be redrawn or 3) play three-out-of-five game matches in the pool which is short one team (if that pool contains less than four teams).

The day of the tournament, when a team does not have a representative at the Coaches' Meeting and has not contacted the Tournament Director, pools should be adjusted to meet approved formats in respect to number of teams per pool, playing format, and seeding. If the team arrives before the start of play for the second match, pools and formats will be readjusted to accommodate the late arriving team (NOTE: TD may forfeit one set for the late arriving team if they did not notify of their status – see page “Coaches Meeting” on page 8). Once the second match begins, no further adjustments will be made. Teams delayed past the start of the second match will not be permitted to play. Entry fees for teams in these circumstances will not be refunded. Teams delayed by extenuating circumstances may appeal the forfeiture of fees in writing to the Region Office.

In the event a team withdraws from a tournament once it has begun, all games won by team are to be counted. All remaining games will be forfeited 25-0.

APPROVED PLAYING FORMATS:

Four-, Five-, Six- and Seven-team pools will play two of three set matches to 25 in pool play starting at ZERO (deciding game to 15, switch at 8, coin flip before set). **NEW FOR 2010:** If there is a mixture of four- AND five-team pools in the same tournament (and only these two pool structures), the FIVE-team pool will play TWO sets to 25 ONLY. This is instituted to hopefully equalize the time each pool plays so pool play will not end at widely varying times. The first tie-breaker between two teams in the five-team pool is STILL head-to-head (i.e if one team won both sets during the pool play match – then they win the tie-breaker automatically).

In the event teams withdraw from the tournament on the day of the tournament and cause a pool to have three (3) teams, tournament directors should rearrange pools in the following manner (in order of priority as well):

1. If there are TWO or more pools in that division and one of the pools has 5 teams, then move the 5th team into the pool.
2. If there are TWO or more pools in that division and the other pools have 3 or 4 teams in them, then combine two pools into a 6- or 7-team pool (on two courts).
3. Play a 3-team pool. Pool play should be 3-out-of-5 sets to 25 (5th game to 15) with a break scheduled between each match. The main priority is for the teams to get plenty of playing opportunities and for their enjoyment. An alternate playing arrangement can be made at the Coaches' Meeting if all teams agree to it.

PLATINUM POOL FORMATS:

For the 2010 Junior season, all Platinum divisions for the 17 and 18 age groups will be limited to 4-team pools whenever entries at the deadline and the number of courts available make it feasible.

OFFICIATING POOL PLAY AND PLAYOFFS:

All teams scheduled to officiate must be ready to do so. **Once officials have completed their certification, only those individuals listed as certified on the roster should be refereeing or keeping score for their team!** Teams discovered in violation of not using certified referees, second referees, or scorekeepers at sanctioned adult events will be placed on probation for the first offense, be fined \$50 for a second offense, and not permitted to participate in sanctioned events after the third offense. Tournament Director/Site Managers should be active throughout the day of the tournament to insure that officiating and rating teams are ready to carry out their responsibilities. Teams which leave after pool play has been completed without fulfilling their officiating assignments shall be reported to the Region Office. These teams will be subject to a \$50.00 fine for regular season tournaments and a \$100 fine if they leave during the Regional Championships. A second occurrence during the season will result in review of their eligibility by the Competition Committee, in addition to the fine. Teams leaving after specifically being told they must officiate should be reported to the Carolina Region as a Code of Conduct Violation. These teams will be subject to further sanctions including suspension.

RULES MODIFICATIONS (for in-region tournaments only):

- A. Serving Rule for 12 and under tournaments:** (a) For the first regular season tournament of the sanctioned season, all 12's divisions will establish service lines 6 feet (2 meters) and 3 feet 1 meter) inside of the normal service line. Players will be allowed the OPTION to serve from the 6 foot line on their first serve during each term of service. If the team wins the point, they must move back to the 3-foot line. If they win that point, they must serve from normal service line for the remainder of that term of service. (b) Beginning with the second tournaments of the sanctioned season and continuing to the end of the regular season, the 12's Platinum division will play using the normal service line in the USAV Rule book; the 12's Gold and below divisions will play using the modified service lines described above in (a). (c) For all Regional Championship tournaments and National bid tournaments, all 12's divisions will play using the normal service line in the USAV Rule book.

DETERMINATION OF PLAYOFF TEAMS:

In three-, four-, five-, and six-team pools, the top TWO teams with the best **MATCH won-loss record** (by Winning Percentage) will advance to the playoffs. The top SIX teams by **MATCH won-loss record** (by Winning Percentage) will advance out of a seven-team pool . Teams shall not be eliminated from playoff competition on the basis of sets/points won and lost (unless 2 teams tie with the SAME WINNING PERCENTAGE –see #2 a. below). If there are more teams tied by winning percentage for the playoffs than there are positions, the tied teams must compete for the position(s) in further direct competition.

NEW FOR 2010 – The Carolina Region has instituted a new format for tournaments that have a mixture of 5-team pool(s) and 4-team pool(s) (this is the only mixture that will allow the format modification). In tournaments with this mixture, the five-team pool will only play TWO sets to 25. Since that pool(s) will not be playing matches, the teams advancing to the playoffs will be determined by SET winning percentage only. If two teams tie based on SET winning percentage, then the first tie-breaker is STILL the head to head matchup (if one team won both sets they get the higher seed/advance). If they split during pool play, then next tie-breaker is point differential (this is only used if both teams are tied for first place and advancing to playoffs regardless. The teams will just be seeded based on point differential (if still tied, a flip of coin will decide seeding). If two or more teams in this five-team format are tied for the last playoff position, then they will hold one set playoffs to 15 as per the instructions below (using applicable seeding methods available).

Tournament Directors should determine playoff teams as follows:

1. If two teams are tied in pool play by match winning percentage for first or second place, they shall not compete in a playoff game to determine position; rather, position assignment shall be determined by the head to head results of the match between the tied teams during the pool play.
2. If two or more teams are tied for the last playoff position, the minimum number of one 15-point rally games (no cap, switch at 8) shall be played. For example:
 - a. If **Two** teams tie with the same match winning percentage for second place in one pool: Results of their play during pool play will be the tie-breaker. No playoff set needed.
 - b. If **Three** teams tie with the same match winning percentage for second place in one pool - superior team which is judged by (1) Head-to-Head, (2) Set Win Percentage (sets won divided by total games played), or (3) Point Differential (Total points scored minus total points given up during all pool play matches) shall be the bye team and officiate the first set and play the winner of the set between the two remaining teams: two 15-point sets total.
 - c. If **Four** teams tie with the same match winning percentage for second place in one pool: Seed the four teams by (1) Head-to-Head, (2) Set Win Percentage, or (3) Point Differential. Team 1 plays Team 4 (team 2 refs), and Team 2 plays Team 3 (winner match 1 refs), and the two winning teams play for the last playoff spot (loser match 2 refs): three 15-point sets total.
3. If three teams tie with the same match winning percentage for the two playoff positions, the team with the superior record as determined by (1) Head-to-Head, (2) Set Win Percentage, or (3) Point Differential shall be awarded first place and the other two teams will play one 15-point set for the remaining playoff position. If no team has a superior record as judged by the three above procedures, the flip of the coin shall determine the officiating team and all teams must play for position as follows: Team 2 vs. team 3. The winner is awarded one playoff berth. The loser plays team 1 to determine the remaining playoff berth: Two 15-point sets total.

4. If four teams are tied with the same match winning percentage for first place in a pool, two 15-point sets will be played. Teams will be seeded by (1) Head-to-Head, (2) Set Win Percentage, or (3) Point Differential with Seed 1 playing Seed 4 (seed 2 refs) and Seed 2 playing Seed 3 (winner match 1 refs). The winners are tied for first place in the pool and advance to the playoffs as described above.

After pool positions have been established for playoffs, the Tournament Director will seed the teams as follows:

1. All first place pool teams will be seeded higher than any second place team regardless of pool play records.
2. The first place pool teams will be seeded by: (a) match win percentage, or (b) set win percentage (number of set wins divided by number of sets), and (c) then by Total Pool Point Differential (total points won minus total points given up in pool). The Tournament Director should rearrange, where possible, the second place seeds so teams from the same pool will not meet until the championship match.

OFFICIATING THE PLAYOFFS:

1. Sets played to decide which team will go the playoffs shall be officiated by the team finishing first in the pool (first official will be an adult official assigned to the tournament). In the case of three-way ties, the team awarded the bye on the basis outlined above officiates the first playoff game; the loser of the first playoff game will officiate the second playoff game.
2. First round playoff matches will be officiated by the LAST place teams (unless it's a 6-team playoff).
3. If a second round is necessary to obtain a finalist, the first round loser shall officiate the second round.
4. The finals shall be officiated by the losers of the semifinals. Factors that should be considered in deciding which team officiates should include distance to travel and which semifinal match is completed first (these factors should be discussed at the Coaches Meeting). The decision of the TD is final.

APPROVED PLAYOFF FORMATS:

1. Tournament Directors should discuss the Playoff format at the Coaches' Meeting and again before the Playoffs begin. If time will be a factor, the Tournament Director should notify the Coaches' at the morning meeting at what time pool play must be finished in order to have full match quarter-finals and/or semi-finals. All Finals must be 2-out-of-3 sets to 25 unless both Coaches agree before the Finals to alter the format. The Region recommends the following time guidelines: If semi-finals start by 6:30 pm then they should be 2-out-of-3 sets to 25. If they start after 6:30 pm, then semi-finals "can" be 2-out-of-3 to 25 starting at 5-5 (20 point games). If a specific facility cannot use the 6:30 pm guideline, then Coaches should be informed of an alternate time for full playoffs. If time is not a factor, then the playoff formats below should be followed.
2. For 6 and 8 team playoffs, all playoff matches through the semi-finals will be either 2 out of 3 sets to 25, or if time is a factor, one set to 25 (rally, switch at 13, no cap). **Every match in a specific round of the playoffs must be played with the same format** (i.e. one semi- can not play one set to 25 and the other semi- 2-out-of-3). The Finals will be 2-out-of-3 sets to 25 (3rd set to 15). This should be outlined at Coaches' Meeting.

3. For 2, 3, and 4 team playoffs, all playoff matches will be 2-out-of-3 sets to 25 (3rd set to 15). Semi-finals may be 1 set to 25 (rally, switch at 13, no cap) if time is a factor. **All semi-final matches must be played with the same format** (i.e. one semi- can not play one set to 25 and the other 2-out-of-3). The Finals must be 2-out-of-3 sets to 25 (3rd set to 15).

POST TOURNAMENT DUTIES

THE TOURNAMENT RESULTS:

The Tournament Director should fax the results of the tournament to the Carolina Region Office (336.766.3501) within twenty-four hours after the tournament has been completed. Complete results are needed – pool play results with match/set records for each team and playoff results with scores!

The following Tournament Forms and Reports must be sent to the appropriate Carolina Region representative within two weeks after completion of the tournament:

1. SCORE SHEETS: To be forwarded to the Carolina Region Office
2. TOURNAMENT RESULTS: All reports, to include standing of teams in pool play and final standings of playoffs, Tournament Evaluations, and the team rosters are to be submitted to the Carolina Region Office.
3. POINTS SYSTEM: All tournament results which would enable the Region to tally points earned and to maintain current points standings for each division (i.e. show tie-breaking procedures, etc. for first-third place finishes in pool play) shall be forwarded to the Carolina Region Office. **Please include the results (scores) of each match during the tournament (pool play and playoffs) on the Tournament Result Form. All results of matches between teams will be needed in order to calculate the Points Standings.**

Failure to comply with reporting schedule as outlined above shall result in a \$100.00 sanction penalty.

REGIONAL POLICY VIOLATION FORM:

Should a team violate the policies of the Carolina Region, then the Regional Policy Violation Form should be submitted to the Region Office within 24 hours of the tournament. Examples of typical Region violations in regard to tournament play are: use of ineligible player during tournament (not on roster, not registered; no club movement form submitted); failure to show on day of tournament and did not call to withdraw beforehand; failure to fulfill officiating duties; inappropriate behavior as outlined in Code of Conduct; intentional forfeits.

2-4	3	1-7	6
3-5	4	2-6	7
1-4	5	6-7	2
4-5	1	2-3	6

4-, 5-, and 6-team pools: Teams will play one match of 2 of 3 sets to 25 starting at zero (deciding set to 15 switch at 8). Will hold a coin flip before deciding set if teams split sets. NOTE: New for 2010 - if there is a mixture of 4-team pools and 5-team pools in the same tournament (and only those pool structures), then the 5-team pool will play 2 sets to 25 ONLY (set record will be used to determine playoff teams with first tie-breaker still head to head in pool play). Playoff matches should be 2-out-of 3 matches if begin by 6:30 pm (if facility allows). Each unique round of the playoffs must play by the same format (i.e. both semi-finals must play same format).

7-team pools: Teams will play one match of 2 of 3 sets to 25 starting at zero (deciding set to 15 switch at 8). Will hold a coin flip before deciding set if teams split sets. Playoff matches should be 2-out-of 3 matches if begin by 6:30 pm (if facility allows). The top SIX finishing teams will advance to the playoffs.

6-team pools: A lunch break of 30 minutes to 1 hour is recommended half-way through pool play. This break should be discussed in the Captains' Meeting at the beginning of the day so all teams can plan accordingly. Top TWO teams advance to playoffs.

Exceptions to the above schedules and pool formats must be requested to and sanctioned in writing by the Carolina Region before the event.

POOL PLAYING/OFFICIATING SCHEDULE

[For Junior Tournaments with ONLY
ONE FIVE-TEAM Pool for whole tournament]

<u>FIVE TEAM POOL</u>	
<u>Play</u>	<u>Ref</u>
1-2	3
3-4	5
1-5	4
2-3	1
4-5	2
1-3	4
2-5	3
1-4	2
3-5	1
2-4	5

5-team pools (5-team tournaments only): For tournaments that only have 5 teams entered (if there are more teams entered, this format is NOT to be used), there will be full round-robin play during pool play using above schedule. Teams will play 2 out of 3 matches to 25 (15 in deciding set, switch at 8). The top two teams will still advance to the finals for a 2-out-of-3 set match (time permitting).

Exceptions to the above schedules and pool formats must be requested to and sanctioned in writing by the Carolina Region before the event.

PLAYOFF SCHEDULES

2-Team Playoff (One 4-, 5-, or 6-Team pool)

3-Team Playoff (Reference only, generally not used)

4-Team Playoff (Two 4-, 5-, or 6-Team pools)

PLAYOFF SCHEDULES

6-Team Playoff (Three 4-, 5-, or 6-Team pools; or One 7-team pool)

8-Team Playoff (Four 4-, 5-, or 6-Team pools)
