

JUNIOR TEAM REGISTRATION INFORMATION:

1. There IS a Team Registration form this season. **This form is required in order to register a team with the Carolina Region. We request that all individual registrations be handled online this season by the individual requesting membership (and parent/guardian for junior members)**, but we will accept the paper 2010 membership form if submitted. Illegible forms will be returned and your registration will be delayed. The forms are self-explanatory. You won't have any problems if you read this packet carefully and follow the enclosed Checklist. Please contact the Region Office if you have other questions.

2. ALL teams must have a UNIQUE Team Rep (a person can only be the team rep for one team in our system, but one person may still handle all your administrative duties within your club if you wish). Your coach may act as your unique team rep if you wish. Remember that coaches and team reps must register as members of the team, as do any other individuals wishing insurance coverage. All adults registering with a junior team must pass a background screen every two seasons.

3. **No** team will be legal until six players have fully registered and been added to the team's roster. However, individuals that are not affiliated with a team (officials, coaches, tournament directors, etc) may register at any time. To add a player to a team after a team has been registered, the player may register online and select the club they are affiliating with. Once the Region clears that member as being paid and submitting a signed waiver, the Club Administrator will be able to add that member to a team in the club (or the Region will do it).

Teams should register in the Age Division of their oldest junior player (teams will have to play in that division regardless of whether the oldest player(s) attend a particular event or not). Teams may sign up for Platinum, Gold, Silver, Bronze, Copper, or Nickel (probably only needed in 16's, 15's, and 14's – depends on overall number of teams in age group) in each age group (if enough teams are available in their age group). All team Division assignments are subject to review during the season by the Junior Division of the Board of Directors. We will explain this season's tournament plans further at the coaches meetings.

4. Please submit the original required forms in **INK** (not faxed or copy machine copies). Complete the forms carefully and accurately. Improper completion or illegible print will result in the form being returned to you for correction and cause a delay in the processing.

5. Multi-team clubs may qualify for a team fee discount by submitting their team registration forms and payment by December 1. **All teams in a club must register at the same time and before Dec. 1 to receive the team fee discount.** Clubs may add teams to the club after December 1 at the regular team fee of \$75 each.

6. Select a team name when registering and use that name when entering and competing in tournaments. Please try to be somewhat original. Be aware that there may be other teams from your area that may choose the same name if you are not original. Durham I or Raleigh II may get you registered, but can be easily confused. Seeding and classification, as well as eligibility depend on tournament directors reporting your team's results accurately. Please limit team names to a maximum of 20 letters. Teams choosing names already selected will have their registration delayed. Each team in a club must have a unique name to distinguish it from the other teams in the club. Each team should include an abbreviated form of the club name in its name and should use that form in all tournament entries and Region correspondence (i.e. PVC-Spike It). The Region reserves the right to edit and/or reject any team name. In case of duplicate team names, first priority will be given to the team that has used that given team name in the past and then based on when registration was received.

7. Correctly prepared application forms, accompanied by the appropriate fees, must be received by the Office not less than seven (7) days prior to the intended date of participation in a sanctioned event by the team or individual player. Special request for registration less than seven days prior to participation will require payment of a late fee of ten dollars (\$10.00) for a team registration and five (\$5.00) for an individual. This late registration must be received by the Office no later than **Thursday** prior to participation on that upcoming weekend. NO telephone registrations can be accepted by the Office. Payment must be received by mail, PayPal, or hand carried to the Office before any registration request can be processed. **When using overnight mail (Federal Express or other), specify that no signature is required or registration may be delayed, and have delivered to 3770 Clemmons Road, Suite C, Clemmons, NC 27012. The US Postal Service does deliver express mail to P.O. Boxes (remember to waive the signature). The office is closed on Saturdays so express mail should go to the PO Box to ensure delivery.**

8. A classification schedule with the appropriate fee indicated is attached for your reference. Submit only **ONE** check or money order, payable to "Carolina Region", in the correct amount to cover all fees including any applicable late fees. *No team registration will be honored until all fees have been received by the Office.* Please remit the correct amount. *Incorrect payment will result in delay in processing your registration. We will not accept Overpayments into credit accounts this season (refund checks will be sent).* Note: Each individual must pay an individual fee, and each team must pay a team fee. The Region does not accept credit cards at this time but you can submit a Paypal payment to the Region at office@CarolinaRegionVB.org (**NOTE: you do not have to register with PayPal to send a payment and you can pay with a credit card through PayPal**). If you submit a PayPal payment, fully document what the payment represents to avoid delays.

9. A service charge of twenty dollars (\$20.00) will be charged for all checks returned for non-payment by the bank. No team or individual is eligible for competition until all fees and fines are paid.

ADDITIONAL REGISTRATION INFORMATION:

1. All individuals registering with the Carolina Region are required to complete a current Waiver and Release of Liability form (whether registering online or with the 2010 membership form). **We are encouraging all individuals to register online this season.** There will be a \$10-\$15 discount available for registering online (depending on when the application is received)! To register, have your players go to <http://www.CarolinaRegionVB.org/Registration/> Those players that do not have access to the online registration system or wish to register using the paper form may still do so. The membership form and Waiver and Release of Liability form is available for download and is on one two-sided form. Both sides must be completed in INK. The current form has 2010 at the top. This is the only acceptable form (previous year's forms will not be accepted). Please complete all requested information and sign in all indicated spaces. **All registrations must contain birthdate information and Juniors must provide their school grade.** The Carolina Region has adopted the USAV Participant Code of Conduct. A copy is available for download on the website and is to be kept by each participant. The disciplinary policy is listed on the form. No team or individual will be permitted to participate in USAV competition without a signed copy of these forms on file in the Region office (or electronically in the online registration system). Sorry, but that's the only way to keep our insurance in force. Both the Adult and Junior registration fees provide each member with liability and secondary health/accident insurance. See the Team Handbook online for a description of the coverage. Included for Junior teams is a **medical history and release form. Do not return this form with your registration. Keep a copy of this form with the team at all practices and competitions.** *North Carolina does not currently require these forms to be notarized, but if you plan to travel outside of the state (especially to Florida) you may want to have them notarized as other states may require them to be notarized.*
2. All adults affiliating with a Junior Club this season must sign a Junior Club Personnel Code of Ethics form each season (this form can be submitted online during the online application process). **All adults registering with a Junior team (as coach, team rep, club rep, chaperone, etc) must pass a Background screen every two seasons in order to be registered with a Junior team!** The online system will track your expiration date and tell you if you need to be screened this season. The online system also handles the Background Screen automatically and can be signed electronically this season! The Background Screen fee is \$17.50 and must be received before the screen can be processed. It takes up to 5 business days for the Background Screen Vendor to process, so the region recommends adults applying at least 7 business days before their first sanctioned event. The individual's online record will be updated when the screen is passed (or failed). Coaches also must be IMPACT or CAP certified and annually attend a coaching clinic approved by the Region. Coaches that have not been IMPACT (or CAP) certified will not be added to a team's tournament roster until they attend a Full IMPACT clinic.
3. **High Performance Donation Program:** USA Volleyball has instituted a donation program to provide funds for its High Performance Programs. This is an OPTIONAL donation to benefit and grow the level of volleyball in the U.S. There is a box included on the registration form that individuals can check to donate \$5 to the High Performance programs. \$4 will be go to USA Volleyball for their Girl's & Boy's High Performance programs and Men's & Women's National teams (\$1 each). \$1 will remain in the Carolina Region to be used to develop our own High Performance programs to benefit our players. If you wish to participate in this optional donation, please check the appropriate box online or on your form and include an additional \$5 on your registration fees. Thank you for your support.
4. **Email:** The majority of the communication by the Carolina Region is now done by email. All members are encouraged to provide a current email address. **Team and Club Reps are required to provide an email address.** Those members providing email will also be added to USA Volleyball's email newsletter, *Rotations*. Members can choose to opt out of this service online or on their member form and they may unsubscribe at any time by following the directions at bottom of each email. We will also be providing the Carolina Region's newsletter, *Carolina Volleyball Review*, online only this season to help us keep our costs down and conserve resources.
5. **Online Registration:** USA Volleyball's online registration system is fully operational this season and this will be the system the Carolina Region uses from now on to register individuals and teams. Members have access to their personal accounts to update their personal information, view their team affiliations, and print membership cards. Each Club (whether one team only or multiple teams) will have someone designated as a Club Administrator on the system and that person will have the ability to print their teams' tournament entry forms and rosters, email all the members in their club, and many more capabilities to come. Additional details and information are available on our website, www.CarolinaRegionVB.org/Registration/.

SUMMARY:

Send all registration requests and forms to:

Carolina Region/USAV
Attn: Registration
PO Box 1757
Clemmons, North Carolina 27012
Or E-mail: office@CarolinaRegionVB.org

You may have registration questions answered by calling the Region info-line at 336.766.3581 between the hours of 7:30 am - 12:00 pm or 1:00 pm - 3:30 pm. At all other times you may leave a message. Our web page will always have the most up-to-date information.

NOTE: Each member's USA Volleyball member number will look different this season (as a result of the online system). There is no longer a Team Number associated with your USAV number! USAV Numbers will look like this – CR000001FJ10. CR is for Carolina Region. The "000001" is individual's unique ID in the system. It will be unique for each member. The "FJ" is your individual gender and member category. Some examples of individual labels are FR, MR, FJ, or MJ for Male and Female, Regular or Junior (one-events would be EA or EJ). The "10" is the membership year (2010).

SPECIAL INFORMATION

A. Tournament Registration: The Region will use centralized tournament registration again this year. All tournament entry forms must be submitted to the Region Office. A blank tournament entry form is available for download at the website that can be used to enter tournaments until your teams are formed in the online system. **After your teams are formed, your Club Administrator will be able to download a tournament entry form with your team's information pre-printed on it through our online system. Use it to enter all tournaments.** NOTE: **Individuals will not receive USAV membership cards this season.** All members will receive a member verification email when their membership is approved. Members will then be able to log in to their member account and print a membership card. The Club Administrator will also be able to print off membership information for their club members. All tournaments (with the exception of the Junior Hi Neighbor & Quest, which have entry direct to the tournament) will accept entries only through the Region Office. Regular season Junior tournament entry fees are \$130, with \$30 going toward officiating expenses, \$5 to provide trainers at tournaments, \$15 administration fee, and \$75-\$80 going to the tournament host. Regional Championship tournament entries will be \$150. **The three-week entry deadline before tournaments will be strictly enforced. Late entries may be accepted on a space available basis with a \$25 surcharge (ALL late fees are now being donated to the Region's HP Program).** Check the schedule (our web page is always the most current so if sites are not listed, then we don't know them yet – please be patient!), get your entries in early (note that you can enter several tournaments at the same time with one mailing and one check), and enjoy the season. Returned checks are subject to a \$20 service charge and no team with outstanding fines is eligible to play. You may also enter tournaments with a PayPal Payment through our Online Payment page. Tournament Entry forms do not need to be mailed in if you pay through PayPal as long as the payment includes all relevant information (tournament date and team name).

B. All-Tournament, Sportsmanship and Officiating Awards: ALL divisions at Regional Championships will again name an All-Tournament Team. The All-Tournament Team will consist of three players off the Championship team, two players off the Finalist team, one player each from the losing semi-finalist teams, and an MVP (does not have to come from the champion team). The coaches of the participating semi-finals/finals teams will nominate their players to the All-Tournament team. The Team Sportsmanship Award nomination procedure has changed this season. Our Paid officials and Tournament Directors will be asked to submit on their post-event report the names of teams to be nominated for a Team Sportsmanship Award. Teams with the most votes will be recognized with an award at the Regional Championships or after the season. This means that some divisions may not have an award winner and other divisions may have more than one. The Region feels Team Sportsmanship shouldn't be limited to one team per age division. If multiple teams deserve it in a specific age division, then they will be recognized! We are looking for teams that show sportsmanship on and off the court. Examples include making honor calls, cleaning up their benches and camp sections at the end of a match or tournament, volunteering to officiate to let further away teams leave early, etc. We will survey the membership at the end of the season to see if this change was beneficial and whether to keep the Sportsmanship recognition program. Our adult referees will also continue to nominate teams that show dedication and skill while officiating. This includes all aspects of officiating – first referee, second referee, score keepers, and line judges. Outstanding first referees will continue to be recognized and asked to be Junior Regional referees. We hope our coaches, parents, and teams will support our efforts to recognize these team and individual accomplishments.

C. Officiating: All Junior teams must have two USAV certified referees, one (different) scorekeeper, and one certified coach/rostered adult on their roster (teams may not participate in a sanctioned event until they meet this requirement!). Only those individuals that have completed their certification may perform the duties of first referee, second referee, or scorekeeper at sanctioned events (there are penalties for not using certified officials this season). The certified coach or rostered adult must physically supervise their team while in the vicinity of the score table at all times during the team's officiating assignment. Incomplete work teams (including the certified coach/rostered adult that is not supervising their team in the vicinity of the score table) may be penalized one point per-minute that they are incomplete to a maximum of 25 points off their next match. Certification clinics will be announced on our website. Junior teams will not be permitted to participate in a sanctioned Carolina Region tournament until they meet the minimum officiating requirements. All referees & scorekeepers must attend a clinic each season to renew their certification. This season, we will hold two types of clinics: (1) Recertification clinics, and (2) Full/Regular clinics. Again this year the recertification clinic will be online (the test is built into the clinic) and is for those referees and scorekeepers that have been certified for at least the past two seasons and only need a refresher clinic to prepare for the new season. The Full/Regular clinics will be for all new officials and any other returning officials that would like to attend a full clinic. For Full/Regular clinics, Referees will attend the entire session (i.e. must be certified scorer also to referee). Scorekeepers only may just attend the scorekeeper portion and then leave. Attendees at all Full/Regular clinics will take the appropriate tests at the site. If they make an 80 or higher on the test(s), they will be eligible to take the online clinics in future seasons.

The Region will hold three Region-sponsored clinics: The clinic schedule is still being developed –see our Officials section on website for updates. All clinic sites will have a re-cert clinic (for junior officials that have been certified each of the past TWO seasons) from 9 am – 12 noon. A full officiating clinic for everyone else will be held from 1 pm – 6 pm (at all clinic sites). Players attending a Region-sponsored clinic must pre-register at least 1 week in advance (online), and teams may not send any more than 5 players per team to a Region-sponsored clinic. To signup online, go to the applicable Officials clinic page listed under “Officials” in the Blue Menu. We will post a link to the pre-registration page beside each clinic when we are ready to start accepting registrations for each clinic. All major and mid-size clubs/teams are encouraged to setup their own clinic dates and sites. The Region will work with the clubs to provide clinicians. All clinics must still be approved by the Region in advance so they can be announced and other smaller clubs/teams may attend them (clubs may charge a fee for outside teams attending). Please set your dates and sites early, so the clinics can be announced on our web site with plenty of notice. See the “Host Your Own Clinic” information sheet at our Officials section of website for more information on setting up your clinics!

NOTE TO REFEREES & SCOREKEEPERS: All officials (adult and junior) must attend a clinic each season, even if your certification has not expired (to take the annual exam). Directions to all sites are available at the web site.

D. Uniform Rule: During the indoor sanctioned season, all teams must abide by the uniform rule that requires team uniforms to be identical in color and design and conform to USA Volleyball regulations regarding jersey numbers. For the 2009/2010 season, USA Volleyball rules recommend that the numbers on the front of uniforms to be at least 6 inches in height and at least 8 inches on the back with a minimum width of 3/4". Numbers must be centered on the front and back. Be sure to consult the rule book or web page (FAQ) for specifics on the uniform requirements (regular players and Libero). It is permissible for shorts to have a minor difference in style and trim. Teams may petition in writing to the Region to receive waivers on the uniform requirements. Teams may be subject to more stringent uniform requirements (consult rule book) when playing at the Asheville Hi Neighbor (or other sanctioned inter-Regional tournament), in other Regions, or at the USAV National Championships. Players are forbidden to wear any article - pins, jewelry, glitter, etc. - which may cause injury during the play of the game. Casts are no longer permitted to be worn during play, even if padded.

E. Junior Volleyball Info: Due to the change in tournament scheduling this season (all divisions play throughout the season) all teams must play in **three** regular season tournaments (a National Qualifier can count as ONE this year), and all individual players in **two** tournaments to be eligible for the Regional Championships in their respective divisions. Our 2010 Junior Olympic National Bids will be determined in stand-alone bid tournaments on April 10. Only teams that submit the National Entry and that would accept the Region's bid should they win the bid **will be allowed to compete for a bid**. All Platinum teams will receive an email about this later in the season when more details from USAV are known. Teams may be split into Platinum, Gold, Silver, Bronze, Copper or Nickel Divisions in all Age Divisions (# of teams permitting). **We will discuss this season's plans in detail at the Coaches Meetings (schedule TBA), so every team/club should be represented at one of these important meetings.** With the first three regular season tournaments, the Region will automatically move the top two teams in the Points Standings in Gold, Silver, Bronze, Copper, and Nickel (if applicable) to the next highest division and move the bottom two teams in the Points Standings in Platinum, Gold, Silver, Bronze, and Copper (if applicable) to the next lowest division (**NOTE: we may move more, less, or none at all in some divisions after the first tournament in order to help balance the division sizes**). Additional moves may be made if results warrant such a move later in the season. No movements will occur after March 1 unless absolutely necessary. *Remember: Any Coach of a Junior team must be at least two years older than the age level of the team they are coaching, and a minimum of 18 years of age. In addition, if the Head Coach of a Junior team is under the age of 25, the team must have either an adult over the age of 25 as assistant coach or chaperone, preferably of the same sex as the team (must be registered with team). This adult must be identified at the Coaches Meeting as present at the tournament in order for the team to participate.* All adults affiliated with a Junior team (team rep, club rep, coach, chaperone, trainer, etc) **MUST** pass a Background Screen every two seasons in order to be registered with the team.

Coaching Clinics: There will be at least **THREE** joint IMPACT (required for all coaches who have not previously attended an IMPACT clinic) coaches clinics and Region informational meetings this season. Junior coaches can choose the one that best fits their schedule and travel plans to attend. Attendance at one of these meetings is required for all Junior coaches. Team/Club Reps (if they are different) are also encouraged to come to the meeting session in order to gather important information on the coming season. The three clinic sites will be announced on the Coaches section of our website as soon as they are confirmed. The clinics will last from 10:00 am to 5:00 pm (if staying for entire IMPACT clinic). The general information meeting will be held first, followed by the gym session of the IMPACT clinic. Coaches can now check their IMPACT certification status on our web page and by logging into their membership account! We are asking all attendees to pre-register so we know how many to prepare for. A link to pre-register is provided on the Coaching section of the website where these clinics are announced. The Region will probably hold at least one more IMPACT clinic to catch those not able to attend these first three, but all clubs/teams should be represented at the meeting even if the coach can't make it (a parent rep can attend).

F. Background Screens: All Regions of USA Volleyball have adopted the Regional Volleyball Associations of USA Volleyball Background Screening Policy. All adults including but not limited to team reps, club reps, coaches, assistant coaches, chaperones, and trainers must pass a background screen every two seasons. Forms associated with the Background Screen process are available on our website (the online registration system handles the background screening automatically for all adults affiliating with a Junior club that need the screening including electronic signatures of the consent form this season!). No adult will be registered with a junior team until they pass the Background Screen. The cost of the Background Screen is \$17.50 and is in addition to the adult membership fee. **NOTE:** All adult officials working the Junior tournaments will need to pass the background screen also. The Region will pay the \$17.50 Background screen for our Professional Officials.

G. Tournaments: The lifeblood of the Carolina Region and USA Volleyball is the dedicated people who spend the time and energy to host tournaments. You too can be one of these special people!! Just complete a Tournament Sanction Request Form and return it to the Region Office. If your tournament is sanctioned you will receive a Handbook and assistance to guide you in making your tournament a success. Contact the Office or see our Tournament Director section on the website (www.CarolinaRegionVB.org/TrnDir/) for more information.

H. Player Movement Within Club: All multi-team Junior clubs will be able to have Player movement in 2010 (no fee required). Player movement (either Temporary or Permanent) in a club is restricted to one Divisional level when moving down (if more than two divisions are offered). There is no restriction on moving up, that is, a Player on a Copper team may play with any team in the same Junior club of any Division (**Note: Age restrictions must still be met!**). All such player movement must be recorded by a club officer and submitted to all affected tournament hosts before the start of competition (with the roster at Coaches' Meeting). Again for 2010: All Boys teams will be considered part of the same club. Boys teams are still restricted to the procedures below when utilizing Player Movement.

Player Movement Restrictions:

- Players registered on a club team and participating in sanctioned competition within the jurisdiction of the Carolina Region may participate with another team from the same club having a **higher** classification a maximum of **two (2)** times before the two weeks prior to their division's Regional Championships. Remember: rosters are frozen (no additions or moves) 2 weeks before a Division's Regional Championships.
- Players may participate with a team having a **lower** classification than the one with who the player is registered a maximum of **one (1)** time before the two weeks prior to their Division's Regional Championships. Any registered Club player may continue participation with another team in the same club (subject to the above restrictions) upon notifying the Office of a permanent roster change.
- Players may participate with two teams on a given weekend provided: (a) the divisions are playing on different days (i.e. 16 Silver on Saturday, 16 Bronze on Sunday); (b) all other Player Movement Requirements described here are followed (limit of 2 moves per season, Movement Form filled out, etc.); (c) for clubs with combined adult and juniors teams, a junior player **MUST** play with his/her junior team if that team is playing on the same day as an adult tournament. If the adult division is playing on a different day, then the junior player may move under the provisions of the Club Movement Policy.
- After a player has participated with another club team in a different division two times, the player shall be frozen to the roster of their **original** team unless a permanent roster move is reported to the Region Office.
- There is no limit and **the same reporting requirements as above** on movement of players between teams in the same club in the same classification (17 Copper to 17 Copper, 16 Silver to 16 Silver, etc.).
- Players registered as unaffiliated (member of the club but not on a team) must still fill out a Club Movement Form if desiring to play on a team within their club and are still limited by the restrictions above.
- Registered unaffiliated members in the Region (not on any team) must first join a club and/or team before they can play in a tournament.

Team Movement Restrictions:

- Teams may use at most two (2) Club players in any given tournament.
- Teams may use at most one (1) player from a higher division in any given tournament.
- Teams may use at most two (2) players from a higher division per season.
- Teams are limited to accepting up to two (2) permanent moves per season. If a permanent move is made with the intent to play in the Regional Championships, then ideally the player being moved should have played at least once with that team during the regular season under a normal player movement. The Region will always hear petitions for extenuating circumstances.

Clubs failing to comply with the reporting requirements will have the player movement privilege suspended. Report forms are available on the Forms section of our website.

I. Price Discount for Youth & Boy's: As an incentive for clubs/teams to provide training and programs in developmental age groups (they do not have to form teams to play in tournaments but you are providing the opportunity to grow a love for the sport for players at younger ages), the Region is offering two new membership categories this season both at a \$15 fee: Youth (all girls 11 and younger) and all Boys (18 and younger). **The Carolina Region is also encouraging all of our larger clubs to try to form at least one 18 and under Boys team and a 14 and under Boys team.** Brothers of your existing players are a good source to recruit to form these teams! The play/practice structure of these teams do not have to be the same format as your girls teams. Contact the Region Office for more details! **NOTE: For girls clubs – if a player will be playing on a team playing in a National Qualifier or the Junior Olympic Volleyball Championships, USA Volleyball requires all participants to be FULL members (Youth category is not a full membership by their definition). Those players will need to join as a Junior member in order to play in those events.** Help us hook the next generation of volleyball players on this sport!

J. One-Event Registrations: The Carolina Region also offers a one-event (one-day tournaments only) registration category for new players that want to experience Carolina Region tournaments to see what it is like or as an option when a team needs to pick up a player in order to play in a tournament. Players using this category must still register online or complete the membership form (completed front & back, signed by parent/guardian for juniors), check the one-event category box, indicate the event they are participating in on the form, pay the one-event fee of \$5, and submit the membership form and fee at least one week before the tournament. A one-event can also be added as late as Thursday before the tournament with the \$5 late fee (i.e. same registration requirements as regular members). Players may only play as a one-event registration twice during the indoor season and then must upgrade to a full registration (at regular fee). An additional form would not need to be completed when upgrading or using one-event category a second time. The Region will allow a team to be formed in the one-event category once per season. Each player would pay \$5 and the one-event team fee would be \$10. The deadline for receipt of registrations remains the same as above (one week before). If the team wanted to do the one-event category again, no more than three of the original players can be on the second team's roster. Players wishing to play in a multi-day tournament (Jr Hi, Hi Neighbor, Quest tournaments) may register as a multi-day one-event member for \$10. The same requirements and deadlines per above apply.

K. Junior Boys Information: If competitive opportunities for the Boys' 14's (or under) do not meet their needs, they will be permitted to enter appropriate level girls' 15's to 18's tournaments. In such a situation, games against boys' teams will count in pool standings, and the boys teams WILL be able to advance to playoffs if they qualify (however, if a boys team makes the playoffs of a girl's tournament they will automatically be moved to a higher division their next tournament). Again for 2010: For the Boys' 13-and-under age group, teams will be allowed to form coed rosters in order to encourage participation for boys and girls at this age group. The Junior Division will work with these teams to find an appropriate Girl's division to play in.

L. Faxed Information/Copies and Credit Cards: USA Volleyball and our insurance company require us to have original signatures on file for our members. We will accept faxes to the Region Office, but memberships cannot be processed until payment is received in the office also. Any faxed or copies of membership forms that are submitted to the Region will require the original membership form to be submitted to the Region within 1 week (if not received within 1 week, membership privileges may be suspended). Please submit the original membership forms with original signatures in PEN to avoid registration delays. The Region has opened a PayPal account to accept credit cards. If you would like to pay your registration or tournament entries by credit card, go to <http://www.carolinaregionvb.org/Payments/jrpaymentcenter.htm> and find the appropriate box to submit a PayPal payment to the Region (there is a box at bottom to enter any amount for items not listed). You can also go to www.paypal.com, click on the "Send Money" tab at the top, use office@CarolinaRegionVB.org as the email to send to, and be sure to include in the note the teamname and any other pertinent details (tournament date, division, number of players/teams registering, etc). **NOTE: You DO NOT need to be a member or open an account with PayPal in order to send money. You can make a one-time credit/debit card payment through PayPal without joining them!** NEW for 2009/2010: Members that apply for membership in the online Registration system can enter a credit card on the third check and complete their application and payment in one spot! If you pay during the application process, you do not have to send anything else in to the Region (exception: Professional Officials still need to send in the Independent Contractor Agreement).

Classification and Fee Schedule

To encourage early registration, the Carolina Region has established a two tier registration fee schedule. For those individuals registering before the cut-off date of November 1, (new this season – adults and junior individuals are the SAME date!) early registration fees have been established. All registration materials and the correct fees must be in the **Office's possession** by that date to qualify for the early INDIVIDUAL fee.
