Pool 1 – Put Pool Record for teams (Sets). Then put how they placed in pool (1st, 2nd, 3rd, etc). Based on maximum pool size so some lines may be blank depending on number of teams entered.			**Match Results: List Team Number from left and number of sets won during the match between the two teams (ex: Match between team 4&6; Team A = Team 4 had 2 set wins, Team B=Team 6 had 1 set win (3 set match).**					**These columns are for Second court matches in a 6- and 7-team pool format. Leave blank for 4- and 5-team pools.**
