

Boys Membership Growth Grant Opportunity

The Carolina Region is again offering \$750 to \$1000 Grants to Clubs to help us grow Boys playing opportunities during the 2021/2022 Season!

TWO ways to earn grant money (Club may qualify for one grant only):

- ONE - Register at least ONE more Boys' team than your club had during the 2021 season.
 - Register one more team than last season, earn \$750.
 - Register two or more teams than last season, earn \$1000!
 - Examples:
 - Club had zero teams last year, register ONE team this year and earn \$750; register TWO teams and earn \$1000.
 - Club had two boys' teams last year, register THREE teams this year and earn \$750; register FOUR teams and earn \$1000.
 - To qualify, register your boys' team(s) and pay team fee(s) invoice to the Carolina Region. We will send out grant awards automatically if you qualify! No need to contact the Region or apply formally for the grant.
- TWO - Club commits to forming a Boys (any age) Developmental league (3-week minimum).
 - League must be sanctioned (Event Sanction Request form + \$15 sanction fee)
 - All participants must become full [Carolina Region members](#) (Boys \$15 or \$20 depending on age; coaches \$40 plus background screen and SafeSport)
 - League is active once a week for 3 weeks or more. Can structure any way want (clinic then play; skills activities; individual vs team play).
 - At end of league, send photos of league activities/play; big group photo; and roster of all league attendees to Region office.
 - 10-14 participants - \$750 Grant
 - 15+ participants - \$1000 Grant

Clubs may use grant money any way you wish (facility rentals; coaches pay; "free" league, etc.)

Contact Kevin in the [Region Office](#) with questions. We hope you will use this opportunity to aid us in exposing this great sport to more Boys across NC!
