

CAROLINA REGION, USAV ADULT PLAYER MOVEMENT FORM

All adult teams will be considered part of the SAME club for Player Movement purposes! Teams may borrow any number of players up to the max roster size of 15! All players MUST be Current USAV members before PARTICIPATION. This form must be completed; and this form must be turned in with the team’s roster at each tournament a temporary move takes place.

The following player(s), being registered members of the Carolina Region are being added to the listed team (Temporary Team), which is different from the team which they are registered with in the Region. This movement is for the indicated tournament date ONLY unless the “Permanent Move” Box is marked as “YES” (permanent moves require prior approval by both team reps and the Carolina Region). Temporary Moves (non-permanent) do not need to be sent to the Region Office before the tournament. Just add the player to your roster at the tournament and attach this form to the roster. The Tournament Director will send it to the Region with the rosters. This form and policy does not apply to the Unaffiliated Player List (see Operating Code for those procedures). Teams not following the Club Movement Policy may have their movement privileges revoked.

NOTE: Only registered Team Reps are permitted to sign this form.
