3- and 4-team pools: The above formats are for tournaments with a mixture of 3- and 4-team pools in a two-pool tournament. Teams will play one match of 2 of 3 sets to 25 starting at zero (deciding set to 15). Will hold a coin flip before deciding set if teams split sets. Playoff matches should be 2-out-of-3 matches if begin by 6:30 pm (if facility allows). Each unique round of the playoffs must play by the same format (i.e. both semi-finals must play same format).

* NOTE: If a tournament ONLY has three (3) teams in the field, then teams will play only a single round robin of pool play (using the play schedule before the lunch break above). Matches will be 2 of 3 sets to 25 starting at zero (deciding set to 15). After the lunch break, ALL three teams will make the playoffs with Seed 2 playing Seed 3 in the semi-finals (seed 1 is work team). The winner will play Seed 1 in the Finals (losing semi-finalist is work team).

If a tournament ONLY has four (4) teams in the field, teams will play the above 4-team schedule with top two teams advancing the the finals (last place team in pool will be work team).

NOTE: The 30 Minute lunch break is REQUIRED!

Exceptions to the above schedules and pool formats must be requested to and sanctioned in writing by the Carolina Region before the event.

5-Team Pool/Tournament (Some tournaments may need this format):

The last site assigned in an age group/realm (i.e. 15 East) “may” utilize a 5-team pool format if there are only 5 teams left in that age/realm. If we have a 5-team tournament, we will play a full round-robin pool play schedule. Teams will play TWO sets to 25 starting at 0-0. The top two teams by SET record will advance to the FINALS to be held after pool play ends. The last place team in the pool will ref the Finals.

6-Team Tournament (Some tournaments may need this format):

If we have six (6) teams total at a tournament site, we will seed the teams into TWO three-team pools. They will play a round-robin schedule in pool play. Then all six teams will advance to the playoffs. The teams will be seeded into a six-team playoff format to determine the overall champion.

Exceptions to the above schedules and pool formats must be requested to and sanctioned in writing by the Carolina Region before the event.
