

USA Volleyball Sanctioned Events Attendance Policy

Purpose:

The safety and security of all USA Volleyball participants is a top priority. We believe in providing a safe, non-threatening environment for all to play, coach, officiate, watch and enjoy the game of volleyball. This policy defines those individuals who are not permitted to attend any USA Volleyball Sanctioned Events (“Events”) in any capacity, including as a spectator.

Policy Statement:

Any individual who has been listed on USA Volleyball’s Suspended Members list for having violated the US Center for SafeSport’s Code, or for having committed such other offense that has jeopardized or could jeopardize the safety of other persons, shall be prohibited from attending or participating in any Event, in any capacity, including as a spectator (subject to applicable laws and regulations). Such prohibition shall apply to the individual for the period he or she is suspended from USA Volleyball.

Enforcement:

Those prohibited from attending any Events under this policy shall not purchase tickets or otherwise plan to attend or participate in said Events in any capacity. In the event a prohibited individual is witnessed at Events, that individual will be immediately asked to leave the premises by Events staff, Events security, and/or local law enforcement as necessary.
