Uniforms

Full uniform rule at our [FAQ page](#)

USAV has a new service for clubs with questions on whether their libero uniform is clearly contrasting. To access, go to this page –

Clubs may also use the USA Volleyball logo on their uniforms with permission from USAV. See [this document for more information](#).

FORMS

Available on the web site:

- <http://www.carolinaregionvb.org/forms/#club-director>

For any Forms and Documents found on our website – make sure it is labeled 2021/2022 for the current season up to date information.

Recruiting Statement and Athlete & Club Bill of Rights

All Clubs Should review these documents before tryouts. It can be found at the Forms section ([Club Director](#)):

[Recruiting Issues](#)

[Athlete & Club Bill of Rights](#)

The information in these document should be reviewed with the athletes during tryouts and there is a one-page summary of Bill of Rights that can be given to the athletes.

Club tryout information

Tryouts:

- The Carolina Region Board of Directors updated the Tryout Policy this year to reflect the changing realities of Junior Volleyball in the state and country.
- Tryouts may be held for the following USAV season any time after the competition of the current season's USAV Junior National Championships.
- Athletes may formally sign the Carolina Region Letter of Commitment any time after September 1.
- All Clubs should be using the written Carolina Region Letter of Commitment (LOC) to confirm acceptance of club bids. Accepting of bids will also be confirmed inside the MMS (more later), but the Region will only recognize the written LOC if there is a dispute.

Club Registration 2022 Season

Clubs Register Annually with the Region:

- First step a Club Director should take each season
- Registration Link is at the Forms Section (Junior Club Director section):
 - <https://carolina-regional-volleyball.sportngin.com/register/form/582214744>
- If you're a new Club, this will start the process of SportsEngine creating your Club HQ
 - *The 5-letter Club Code will be generated by the Region upon receipt and club will be added to our Club Directory in the Tournament System.*
- Returning clubs will continue to use the HQ set up in previous seasons.
- All clubs must have a Club HQ in order to submit team info to the Region. Clubs only need the Free Club HQ. SE also offers a Premium HQ option for additional resources in running your club. This is optional and not required to register with the Region.

Individual Registration 2022 Season

New Preferred Method:

- SE has improved the process of affiliating athletes and coaches with your club this season.
- Getting individuals their correct membership this season should also be improved.
- KEY – only send an invite to affiliate with your club once they have OFFICIALLY committed to your club through your club's bid acceptance process (which hopefully uses the CR LOC also).
- To have a coach or athlete affiliate with your club:
 - In your HQ account – go to the USA Volleyball section
 - Choose Memberships
 - Copy the Public Club Assignment link
 - Send that link by email to the players/coaches. When they click it, they will go through the Quizzard to buy a membership and be affiliated with your club all in one process.

Public Club Assignment

Generate an open link you can share to add members to your club. Upon purchase, new members will be added to your directory.

Registration Information

<https://www.carolinaregionvb.org/registration/>

Alternate way to access Quizzard, but clubs will still need to send athletes and coaches an invite to be able to view them and add to a roster.

All participants (teams and individuals) must be registered at least one week before participation.

- NOTE: Thursdays before with LATE fee. NO ROSTER ADDITIONS ON THE DAY OF THE TOURNAMENT!!

MEMBER MANAGEMENT SYSTEM

- Clubs can buy memberships for their coaches that are in their directory. Coaches will then go claim the membership, create SE account if needed, and complete the requirements associated with that membership (waivers, SafeSport, IMPACT, etc).
- Clubs should let all families buy their own memberships. Parent/Guardian will create a SE account and can then add household members underneath to buy memberships (family accounts-one login!)

MEMBER MANAGEMENT SYSTEM

- **18's Memberships**
- If a member will turn 18 at any point during the season, the system will prompt them to buy the 18's membership. This attaches the required SafeSport course to their account. They will not be eligible to be added to a roster until they complete the course.
- There will be 17 year old's that are eligible to play on a 17's team, that will be prompted to purchase the 18's membership and take SafeSport. This is legitimate. Their birthdate is in July or August of 2022 and the 2022 season does not end until 8/31/2022. Just have them complete the purchase and take SafeSport. They can still be added to a 17's roster.

- Member cards are now Digital. Welcome email will have a link to digital card. Can also access from your SE Profile (Household). Add to Apple Wallet or Google Pay.

Club Admins-Club HQ

Club Administrators

- Clubs will need to claim an HQ account inside of their SE account this season to run their club.
- Bookmark this page on our website for reference to all things Club Directors need regarding new system:
- <https://www.carolinaregionvb.org/clubsnewmms/>
- Each Club will have one main administrator. Can assign additional but they must clear USAV screen and have SafeSport to remain an administrator.
- At above page is instructions on how to add the Region Office to your Directory and then as an Administrator also. This will allow us to help you with tasks as needed.

Registration INFO – Teams

All Online Process for 2022!

- Two step process:
 - *Step 1 - Build team and roster inside MMS (see [create team](#) – [filling roster](#))*
 - *Step 2 - Only after MMS upload – submit additional details in our Tournament System ([use this link](#) – also at Forms page):*
- Once we receive both of above, we will invoice the Club Director inside the MMS for the Team Fees.
- *Must include at least 6 players and one coach to be a valid team (you can add players/staff later inside MMS.*
- *Team is classified at level of the oldest player on the team (regardless of whether they attend an event or not)*
- Early Bird Deadline is December 1. Teams can still be formed at any time after that at regular team fee. Team registrations per above must be completed at least one week before participating in an event (tournament entry deadline is 2 weeks).

Teams - Initial Group/Rankings

CR Tournament System Teams Registration Form will ask:

- DIVISION: East or West team - All teams split into East and West again. Imaginary North/South line through Greensboro area is the “dividing” line. You will choose age group and location – i.e. JR-18-West or JR-14-East, etc.
- QUINTILE: Indicate where you think team will fit among all teams in age group:
Group 1-Top 20%; 2 - 21-40; 3-41-60; 4-61-80; or 5-bottom 20%.
- The grouping you select will determine your initial starting points in the Region Tournament System.
- These points overlap other age groups. Reasoning is the top of one age group is competitive with the bottom of their adjacent age group (and vice versa).
- Team Reps – MUST have unique Rep for each team. Do NOT list Club Director for every team (see next slide)

Junior Advisory Board

- IMPORTANT – each team must designate a unique team representative (as compared to the club director being the team rep for all their teams) on the online Junior Team Registration Form (more later).
- *One club rep can still handle all the administrative duties (entering into tournaments, etc.) but the unique team rep is for the online system and the Junior Advisory Board.*
- *You do not have to register a new member, it can be the coach (for example).*
- *All Team Reps automatically become members of the Junior Advisory Board with one vote at the meeting.*
- The Advisory Board will meet once a year to primarily set policies and direction for the next season. Next Meeting – April/May 2022 (Site: ONLINE)
- Participate as needed via e-mail in discussions about issues that pertain to juniors.

Teams- Initial Rankings

What if we chose wrong “Group” when registering the team?

Teams may petition the Carolina Region for an adjustment to their initial point’s value that will adjust their next tournaments “division assignment” by one level up/down depending on their request. All petitions must be received in writing by the Region office by Monday noon of the business week following the second Regular season tournament of their age group. CR Staff will evaluate their request and results and may adjust their starting point’s value accordingly.

Medical Release Forms

USA Volleyball will no longer be requiring the collection/verification of Medical Release Forms at their National-sanctioned events.

For that reason, we are not posting a Medical Release form on our Forms section of the website.

Clubs may still choose to collect a Medical Information/Release form for their players that their coaches may have with them at team activities. We have a generic form available that clubs may utilize if they wish. Email the Region office to request the form.

Sanctioned Events – Practices/Tryouts

In order to have a Sanctioned Event (covered under USAV Insurance Program):

- Clubs must notify the Region of all practices/events they want sanctioned.
- *Notify the Region using the Application for Sanctioning Volleyball Events - Link will be at Forms page – Insurance Section. Form is inside the MMS this year. (all electronic) The “account” that submits the form will be able to access inside their “Registrations” tab and will receive email confirmations of submission and Approval/Denial.*
- *Note – request to host a sanctioned tournament is different form found under the Tournament Director section on Forms page.*

USAV Insurance Program

Event or Activity must be USAV Sanctioned in order to be covered under USAV Insurance Program:

- General Liability Policy
- Secondary Participant Accident Policy
- *An Incident Report form is required to be submitted before Insurance Company will consider any claim*
- *If you request to have your activities/Practices sanctioned, then have Incident Report forms on hand at those events to document any injuries or damage.*
- *Coaches should have on hand at tournaments. If there are injuries during tournament, make sure the Tournament Director completes and incident report and ask to send to Region office after the event.*

Coaches Information

- All Head Coaches must be 18 years old and at least two years older than age group they coach. All coaches must clear the USAV Background Screen program.
- Chaperones are not required (if all coaches over 18)*.
- A coach may only coach for one club.

“Junior” Coaches Information

- Individuals who have reached their 16th birthday may serve as a rostered Assistant Coach for teams that are a minimum of three age groups younger than the coach. Teams utilizing these junior coaches must register a Chaperone 25 or older also to be on the roster and sit on the bench in the event that the Head Coach is not able to finish a match on the bench. In addition, the Head Coach must be 25 or older and must be on the bench to start all matches. These Junior coaches must comply with all coaching prerequisites (IMPACT/JCP/SafeSport) before they can be added to the roster. In the event, the coach turns 18 during the season, they must clear the USAV Background Screen policy and would be governed by the current Coaches’ policy.
- There is a Junior Aged Staff – SafeSport & IMPACT Required membership category that these Junior coaches would select (even if already registered as a junior player). This will attach the requirements they need automatically (and won’t charge them if already a member).

Coaches Information

All coaches must be IMPACT certified.

- Must meet certification requirement before first tournament.
- Team must have a certified coach (on roster and present) to play.
- Coach must be certified before coaching.
- USA Volleyball now offers FREE ON-DEMAND IMPACT. When someone registers with the Coach membership, the system will see if they have IMPACT. If they don't, it provides the link to go take the On-Demand IMPACT clinic automatically.
- AGAIN THIS SEASON– All Adults affiliating with Junior Club must take the SafeSport course (Core or Refresher version)! Per above, upon registration, the system will determine which course the coach needs and provides a link to go take it automatically.

Travel Policy

USAV has required all Clubs to develop a Travel Policy for their club

A sample policy is available for Clubs to refer to when developing their policy. Available at Forms page (Club Directors) -

<https://www.carolinaregionvb.org/forms/#club-director>

Clubs may use the sample policy or develop their own.

In the event a club does not produce their own policy, the Sample policy will become the club's default policy!

Travel policy put in place to REPLACE Chaperone requirement at the Junior National Championships (so teams earning bids to JNC do not have to register Chaperones unless they wish to).

Finding Players:

Brothers of your existing players!

Many middle schools have Boys volleyball

"Sadie Hawkins Day" – Girls invite a boy to come play

You do not have to structure it like your Girls teams! They do not have to play under normal tournament structure:

Weeknight leagues (shorter seasons – Fall, Winter, Spring, Summer leagues)

Practices only/Scrimmages

Co-ed play with your girls' teams

PARTICIPANT/SPECTATOR
BEHAVIOR POLICY

The Carolina Region endorses the principles of the Positive Coaching Alliance and the Honor the Game philosophy. To this end, we have adopted a Participant/Spectator Behavior Policy for unsportsmanlike conduct by all attendees at Carolina Region sanctioned events.

- Please download this policy and go over it with all coaches, parents, and players so we have no issues this season!

[Participant/Spectator Behavior Policy](#)

PURPLE CARD SPECTATOR SANCTION POLICY

The Carolina Region has joined with several other Regions in adopting a tool for dealing with inappropriate behavior by spectators at Carolina Region events. We are calling this the Purple Card Sanction Policy. The full policy can be downloaded at link below.

[Purple Card Spectator Sanction Policy](#)

The policy will apply to all spectators (adults and juniors). Our Professional Officials will now be able to address inappropriate behavior by spectators with use of Purple card

Purple/Yellow together is a Warning

Purple/Red together is a Penalty and opposing team will be awarded a Point.

Additional misbehavior governed by Participant/Spectator Behavior Policy.

Please make sure all your families are aware of this policy so no team is penalized this season!

Officiating – Rules

USA Volleyball now only publishes the Domestic Competition Regulations (DCR) every two years. There will be a new rule book this year.

Our clinicians may have limited number of books to deliver to the clubs at the in-person clinic this (1 book per team).

Clubs near region office can stop by and pick up books. We can also mail books to clubs that cannot get by the office or are not hosting their own clinic.

Rule Book is available for download at the USAV Officials Website –

<https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/>

Officiating – Team Requirement

TWO Certified Referees, ONE Certified Scorer, and ONE Certified Adult on roster before first tournament played!

At least one of the coaches on the roster must be a certified referee and be present when the team is officiating. You may attend the junior clinic and take the junior tests to meet this requirement. However, if you want to officiate for an adult team or work junior tournaments you have to attend the appropriate adult clinic and take the adult tests.

There is an online clinic option which will allow you to take the clinic and test online. Anyone can take it online.

NOTE – Higher sanction for teams that leave a tournament and do not fulfill their Team officiating requirement for playoffs - \$200.

Officiating Clinics

All necessary clinics are available online in the USAV Learning Management System. Any Carolina Region member may take the clinic online this season.

Larger clubs may Host Your Own Clinic or encourage players to take the online clinics

- Scorer clinics Only this season in person
- Clubs with 6 or more teams will be limited to having their in-person clinic for the 14-and-under age groups only (Coaches may also attend).
- There is a limit of 75 attendees per clinician at all Officials clinics (coaches do not count against this)!
- This season we will auto enroll all junior members in the online clinic. They can choose to take the clinic or not. If attending an in-person scorer clinic, then may need to pre-register for it from within the LMS so results can be batch processed easier. Coaches will need to register themselves in the LMS.

Officiating Status

Your officiating status will be kept and updated in your online Account under “Credentials”.

Click the Credentials tab inside the Carolina Regional Volleyball Membership box (view details). Officiating certifications will show under “Training and Education”.

Click the USAV Academy box upper right to go to Academy to access your courses.

COVID-19 IMPACT

- The info presented in later slides assume no major impact from COVID-19 restrictions by the state
- We will continue to monitor and make decisions closer to the season for any adjustments in:
 - Spectator limitations
 - Format changes for less teams
 - Work team obligations
 - Mask use for any attendee
 - Number of facilities available to host | Number of teams able to play any given date

Tournament Information

Tournaments generally every available weekend again this season. There is a Sunday tournament every weekend for an age group – check schedule carefully.

Deadlines are TWO weeks before tournament – must be RECEIVED (not postmarked) by deadline.

Professional Officials will work as First Referee for all pool and playoff matches in the 12's and 13's divisions this season. In those age groups and with the approval of the head coach and supervising official, a certified player referee may work the second set as R1 during pool play (to promote development of already established player refs). For age groups 14's – 18's, the certified Junior Referees will work all Pool play matches. Professional Officials will work all playoff rounds (including tie breakers).

Tournament Information

Tournaments:

Two-week entry deadline is firm. Monday after deadline, we will assign all entered teams in pools of 4 to sites (last site(s) assigned may have more or less than 4 assigned depending on total entries. Most sites will have 8 or 12 teams and will play ideal 4-team pool format.

Regular season tournaments will be designated as "SITES". So, will show as Site 1, Site 2, Site 3...assigned out based on the Rankings. Regional Championship tournaments will show as "Division": Division 1, Division 2, Division 3...

Results from each tournament will be entered the Monday after the tournament. New rankings will be calculated and posted.

Points Rankings will be used to assign teams out to sites for the next tournament in same manner after the deadline.

Tournament Information

What this means?

Teams will not know their site until after the Entry deadline!

Late entries will not be available as much since assigning teams out in ideal 4-team pool increments. If last site(s) assigned have less than ideal 4-team pools, then late entries may be allowed if can shift teams in easy manner and still keep competitive balance.

No need to “move” teams among “divisions”. Tournament System will rank teams automatically and assign out based on rankings.

Will have East and West Championships again on March 26/27 & April 2/3 weekends (next slide)

Tournament Information

Regional Championships:

The Carolina Regional Championship will ALSO be on March 26/27 and April 2/3.

Top 4 teams in the RANKINGS from the East and top 4 teams in the RANKINGS from the West will be assigned automatically to the Regional Championships.

Will assign to a site in the central part of state as best as possible.

All teams must still meet minimum team requirements to be eligible for a Regional Championship Event.

All teams must play in THREE Carolina Region Regular season sanctioned events to be eligible for a Regional Championship Event. At least one of those events must have been a Carolina Region one-day tournament. The other two events may consist of any two of the following if held BEFORE the Regional Championship Event:

- One or Two Carolina Region one-day tournaments
- Any two-day Carolina Region sanctioned event whose only criteria is date of entry (examples: Quest pre-season tournament, Carolina Kickoff, City of Oaks, Queen City Classic)
- Only ONE of the following tournaments: a National Qualifier or any other Carolina Region sanctioned event with a restricted access entry criteria (example: MAPL Raleigh).

Teams must enter before Entry deadline to be considered. Late entries will NOT be accepted for the Regional Championships.

Rosters FREEZE One week before the team's Regional Championship Event. So, teams can make club player movements after entering event if needed so won't have to withdraw based on late injuries or unexpected player losses. A player can still only participate in one Regional Championship event.

Tournament Information

- Start at 9:00 am – Coaches Meeting at 8:30 am. All teams must be represented or subject to forfeit of first game.
- FORMATS:
 - 3-team pools (late withdrawals and last site(s) assigned) – Play double-round robin format.
 - 4-team pools – standard round robin
 - 5-team pools (last sites assigned may have this so all teams can play) – standard round robin, play two sets to 25 only starting at 0-0 – top two to Finals).
 - 6-team tournament – two 3-team pools playing round robin full match play. All teams then seeded into 6-team playoff.
- Playing 2/3 matches starting at 0-0. Top 2 teams to playoffs.
- AGAIN for 2022 – There will be no tie-breaker sets played during regular season one-day tournaments! See next slide.

Tournament Information

NO TIE-BREAKERS FOR REGULAR SEASON TOURNAMENTS AND ALL REGIONAL CHAMPIONSHIPS:

- All two-way ties for a spot in playoffs will be decided by the head-to-head result during pool play. Some pool play formats may have the team playing twice during pool play. If they split matches during pool play, then the tie would be broken by overall match win percentage, set win percentage, or overall point differential. If tied at point differential (rare), they would play one set to 15.
- All three- or four-way ties, would be decided by (1) match win percentage (2) set win percentage, or (3) point differential. If two teams tied at point differential, then the head to head result during pool play would decide it.

Tournament Information

Seeding into Playoffs – No change for 2022 Season!

There has been questions about how to seed Undefeated teams into playoffs – especially if one pool had 4 teams and another pool had 3 teams (applies for 3-pool tournaments only)

The Carolina Region has established that the highest INITIAL seed in the tournament will go into Pool 1, the second highest seed will be in Pool 2 and the third highest seed will be in Pool 3 (if there are 3 pools). The POOLS will maintain their overall seeding spot in the event there are TWO or MORE UNDEFEATED teams advancing to the Playoffs. Thus, an undefeated team from Pool 1 will be seeded into the Playoffs HIGHER than an undefeated team in Pool 2 and an undefeated team in Pool 2 will be seeded higher than an undefeated team from Pool 3 (if applicable). This applies even if the “top” seed wasn’t the team that went undefeated.

NOTE – Undefeated means no losses for SETS AND Matches!

Tournament Admissions

One-Day Tournament Hosts “MAY” charge up to a maximum of \$5 for adults that come as spectators to the event.

All participants shall not be charged an admission (players, coaches, chaperones, trainers that are on a roster as well as the professional officials).

Kids 18 and under shall not be charged an admission.

Make sure everyone in your club is aware of this policy so no issues when they show up at an event. Multi-day events have always been able to charge an admission and are not governed by this policy.

NOTE – COVID-19 Restrictions may be implemented in the future. Depending on the current status in the state, we may impose limits on the number of spectators at an event (1 parent per player, etc). We will communicate any updates with clubs as we get closer to the season.

Tournament System

<https://tournaments.carolinaregionvb.org>

We will continue to upload results from the CR Sanctioned multi-day events in our region (Quest, City of Oaks, Queen City, MAPL Raleigh).

Will be able to capture results between two CR teams and calculate points

Will allow teams that do not play as many one-day events to earn points and enhance Regional Championship qualification.

- Team Pages updated. System will handle credits for cancelled tournaments and teams put on wait list better (on individual team page). **See next slide.**
- System will show team's progress for eligibility for the National bid tournaments and Regional/East/West Championships on those tournament info pages.
- Working on providing ability for Teams and Clubs to view a tournament entry receipt after the tournament is over.
- Camps/clinics section added.
- More features in pipeline (both front and backend)!
