# Uniforms

Full uniform rule at our [FAQ page](#)

USAV has a new service for clubs with questions on whether their libero uniform is clearly contrasting. To access, go to this page – <https://survey.sogosurvey.com/survey.aspx?k=SsURUWQsQRYsPsPsP&lang=0&data=>

Clubs may also use the USA Volleyball logo on their uniforms with permission from USAV. See [this document for more information](#).

## Documents & Forms

Available on the web site:

- <https://www.carolinaregionvb.org/forms/#jr-club-director>

For any Forms and Documents found on our website – make sure it is labeled 2022/2023 for the current season up to date information.

# Recruiting Statement and Athlete & Club Bill of Rights

All Clubs Should review these documents before tryouts. It can be found at the Forms section ([Club Director](#)):

[Recruiting Issues](#)

[Athlete & Club Bill of Rights](#)

The information in these document should be reviewed with the athletes during tryouts and there is a one-page summary of Bill of Rights that can be given to the athletes.

## Tryouts:

- The Carolina Region Board of Directors updated the Tryout Policy last year to reflect the changing realities of Junior Volleyball in the state and country.
- Tryouts may be held for the following USAV season any time after the competition of the current season's USAV Junior National Championships.
- Athletes may formally sign the Carolina Region Letter of Commitment any time after September 1.
- All Clubs should be using the written Carolina Region Letter of Commitment (LOC) to confirm acceptance of club bids. Accepting of bids will also be confirmed inside the MMS (more later), but the Region will only recognize the written LOC if there is a dispute.

# Club Registrati on 2022 Season

## Clubs Register Annually with the Region:

- First step a Club Director should take each season
- Registration Link is at the Forms Section (Junior Club Director section):
  - <https://carolina-regional-volleyball.sportngin.com/register/form/709506899>
- If you're a new Club, this will start the process of SportsEngine creating your Club HQ
  - The 5-letter Club Code will be generated by the Region upon receipt and club will be added to our Club Directory in the Tournament System.
- Returning clubs will continue to use the HQ set up in previous seasons. Add Admins as needed.
- All clubs must have a Club HQ in order to submit team info to the Region. Clubs only need the Free Club HQ. SE also offers a Premium HQ option for additional resources in running your club. This is optional and not required to register with the Region.

## Preferred Method to Add Players/Coaches:

- SE has improved the process of affiliating athletes and coaches with your club.
- Getting individuals their correct membership this season should also be improved.
- KEY – only send an invite to affiliate with your club once they have OFFICIALLY committed to your club through your club's bid acceptance process (which hopefully uses the CR LOC also).
- To have a coach or athlete affiliate with your club:
  - In your HQ account – go to the USA Volleyball section
  - Choose Memberships
  - Copy the Public Club Assignment link
  - Send that link by email to the players/coaches. When they click it, they will go through the Quizzard to buy a membership and be affiliated with your club all in one process.

### Public Club Assignment

Generate an open link you can share to add members to your club. Upon purchase, new members will be added to your directory.

# Registration Information

<https://www.carolinaregionvb.org/registration/>

Alternate way to access Quizzard, but clubs will still need to send athletes and coaches an invite to be able to view them and add to a roster.

All participants (teams and individuals) must be registered at least one week before participation.

- **NOTE: Thursdays before with LATE fee. NO ROSTER ADDITIONS ON THE DAY OF THE TOURNAMENT!!**

# MEMBER MANAGEMENT SYSTEM

- Clubs can buy memberships for their coaches that are in their directory. Coaches will then go claim the membership, create SE account if needed, and complete the requirements associated with that membership (waivers, SafeSport, IMPACT, etc).
- Clubs should let all families buy their own memberships. Parent/Guardian will create a SE account and can then add household members underneath to buy memberships (family accounts-one login!)

# MEMBER MANAGEMENT SYSTEM

- **18's Memberships**
- If a member will turn 18 at any point during the season, the system recognizes that automatically this season. The required SafeSport course will be added to their account. They will not be eligible to be added to a roster until they complete the course.
- There will be 17 year olds that are eligible to play on a 17's team, that will be prompted to purchase the 18's membership and take SafeSport. This is legitimate. Their birthdate is in July or August of 2023 and the 2023 season does not end until 8/31/2023. Just have them complete the purchase and take SafeSport. They can still be added to a 17's roster.

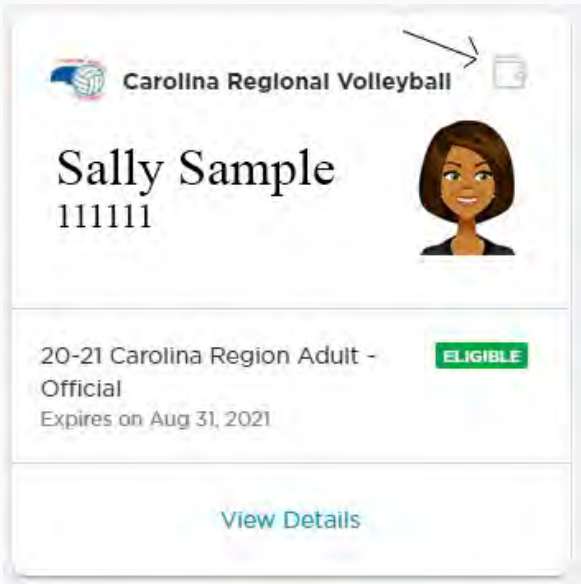

Member cards are Digital. Welcome email will have a link to digital card. Can also access from your SE Profile (Household). Add to Apple Wallet or Google Pay.

# Club Admins-Club HQ

## Club Administrators

- Clubs will need to claim an HQ account inside of their SE account this season to run their club.
- Bookmark this page on our website for reference to all things Club Directors need regarding the system:
  - <https://www.carolinaregionvb.org/clubsnewmms/>
- Each Club will have one main administrator. Can assign additional but they must clear USAV screen and have SafeSport to remain an administrator.
- At above page is instructions on how to add the Region Office to your Directory and then as an Administrator also. This will allow us to help you with tasks as needed.

# Team Registrations

All Online Process for 2023!

- Two step process:
  - Step 1 - Build team and roster inside MMS (see [create team](#) – [filling roster](#))
  - Step 2 - Only after MMS creation – submit additional details in our Tournament System ([use this link](#) – also at Forms page):
    - Once we receive both of above, we will invoice the Club Director inside the MMS for the Team Fees.
      - Must include at least 6 players and one coach to be a valid team (you can add players/staff later inside MMS.
      - Team is classified at level of the oldest player on the team (regardless of whether they attend an event or not)
    - Early Bird Deadline is December 1. Teams can still be formed at any time after that at regular team fee. Team registrations per above must be completed at least one week before participating in an event (tournament entry deadline is 2 weeks).

CR Tournament System Teams Registration Form will ask:

- DIVISION: East or West team - All teams split into East and West again. Imaginary North/South line through Greensboro area is the “dividing” line. You will choose age group and location – i.e. JR-18-West or JR-14-East, etc.
  - QUINTILE: Indicate where you think team will fit among all teams in age group:

Group 1-Top 20%; 2 - 21-40; 3-41-60; 4-61-80; or 5-bottom 20%.

- The grouping you select will determine your initial starting points in the Region Tournament System.
- These points overlap other age groups. Reasoning is the top of one age group is competitive with the bottom of their adjacent age group (and vice versa).
- Team Reps – MUST have unique Rep for each team. Do NOT list Club Director for every team. Include that team rep’s phone number.

Teams -  
Initial  
Group/Ranki  
ngs

## Junior Advisory Board

- IMPORTANT – each team must designate a unique team representative (as compared to the club director being the team rep for all their teams) on the online Junior Team Registration Form (more later).
  - One club rep can still handle all the administrative duties (entering into tournaments, etc.) but the unique team rep is for the online system and the Junior Advisory Board.
  - You do not have to register a new member, it can be the coach (for example).
  - All Team Reps automatically become members of the Junior Advisory Board with one vote at the meeting.
- The Advisory Board will meet once a year to primarily set policies and direction for the next season. Next Meeting – April/May 2023 (Site: ONLINE)
- Participate as needed via e-mail in discussions about issues that pertain to juniors.

# Teams- Initial Ranking s

What if we chose wrong “Group” when registering the team?

- Teams may petition the Carolina Region for an adjustment to their initial point’s value that will adjust their next tournaments “division assignment” by one level up/down depending on their request. All petitions must be received in writing by the Region office by Monday noon of the business week following the second Regular season tournament of their age group. CR Staff will evaluate their request and results and may adjust their starting point’s value accordingly.

USA Volleyball will no longer be requiring the collection/verification of Medical Release Forms at their National-sanctioned events.

For that reason, we are not posting a Medical Release form on our Forms section of the website.

Clubs may still choose to collect a Medical Information/Release form for their players that their coaches may have with them at team activities. We have a generic form available that clubs may utilize if they wish. Email the Region office to request the form.

# Medical Release Forms

In order to have a Sanctioned Event (covered under USAV Insurance Program):

- Clubs must notify the Region of all practices/events they want sanctioned.
  - **Notify the Region using the Application for Sanctioning Volleyball Events - Link isat Forms page – Insurance Section. Form is inside the MMS this year. (all electronic) The “account” that submits the form will be able to access inside their “Registrations” tab and will receive email confirmations of submission and Approval/Denial.**
  - **Note – request to host a sanctioned tournament is different form found under the Tournament Director section on Forms page.**

Sanctioned  
Events –  
Practices/Try  
outs

Event or Activity must be USAV Sanctioned in order to be covered under USAV Insurance Program:

- General Liability Policy
- Secondary Participant Accident Policy
  - **An Incident Report form is required to be submitted before Insurance Company will consider any claim**
  - **If you request to have your activities/Practices sanctioned, then have Incident Report forms on hand at those events to document any injuries or damage.**
  - **Coaches should have on hand at tournaments. If there are injuries during tournament, make sure the Tournament Director completes an incident report and ask to send to Region office after the event.**

# Coaches Information

- All Head Coaches must be 18 years old and at least two years older than age group they coach. All coaches must clear the USAV Background Screen program.
- Chaperones are not required (if all coaches over 18)\*.
- A coach may only coach for one club.

# “Junior” Coaches Information

- Individuals who have reached their 16th birthday may serve as a rostered Assistant Coach for teams that are a minimum of three age groups younger than the coach. Teams utilizing these junior coaches must register a Chaperone 25 or older also to be on the roster and sit on the bench in the event that the Head Coach is not able to finish a match on the bench. In addition, the Head Coach must be 25 or older and must be on the bench to start all matches. These Junior coaches must comply with all coaching prerequisites (IMPACT/JCP/SafeSport) before they can be added to the roster. In the event, the coach turns 18 during the season, they must clear the USAV Background Screen policy and would be governed by the current Coaches’ policy.
- There is a Junior Aged Staff – SafeSport & IMPACT Required membership category that these Junior coaches would select (even if already registered as a junior player). This will attach the requirements they need automatically (and won’t charge them if already a member).

# Coaches Information

All coaches must be IMPACT certified.

- Must meet certification requirement before first tournament.
  - Team must have a certified coach (on roster and present) to play.
  - Coach must be certified before coaching.
- USA Volleyball now offers FREE ON-DEMAND IMPACT. When someone registers with the Coach membership, the system will see if they have IMPACT. If they don't, it provides the link to go take the On-Demand IMPACT clinic automatically.
- AGAIN THIS SEASON– All Adults affiliating with Junior Club must take the SafeSport course (Core or Refresher version)! Per above, upon registration, the system will determine which course the coach needs and provides a link to go take it automatically.

# Boys Tournament Schedule

- New for 2023 – We are promoting a Boys tournament Schedule in the Region to encourage Boys teams to register and play in events in the Region

- January 29, 2023 – Regular Season tournaments
- February 26, 2023 – Regular Season tournaments
- February 25-26, 2023 – Carolina Volleyball Classic, Rocky Mount
- March 4-5, 2023 – Battle of the Bros, Raleigh
- March 11-12, 2023 – Locomotive Challenge, Rocky Mount
- March 26, 2023 – Carolina Region Boys' Regional Championships

The Carolina Region endorses the principles of the Positive Coaching Alliance and the Honor the Game philosophy. To this end, we have adopted a Participant/Spectator Behavior Policy for unsportsmanlike conduct by all attendees at Carolina Region sanctioned events.

- Please download this policy and go over it with all coaches, parents, and players so we have no issues this season!

## PARTICIPANT/SPECTATOR BEHAVIOR POLICY

### [Participant/Spectator Behavior Policy](#)

# PURPLE CARD SPECTA TOR SANCTIO N POLICY

The Carolina Region has joined with several other Regions in adopting a tool for dealing with inappropriate behavior by spectators at Carolina Region events. We are calling this the Purple Card Sanction Policy. The full policy can be downloaded at link below.

## [Purple Card Spectator Sanction Policy](#)

The policy will apply to all spectators (adults and juniors). Our Professional Officials will now be able to address inappropriate behavior by spectators with use of Purple card

- Purple/Yellow together is a Warning
- Purple/Red together is a Penalty and opposing team will be awarded a Point.
- Additional misbehavior governed by Participant/Spectator Behavior Policy.

Please make sure all your families are aware of this policy so no team is penalized this season!

USA Volleyball now only publishes the Domestic Competition Regulations (DCR) every two years. There will not be a new rule book this year.

- We are only providing printed rule books to our Professional officials.
- Rule Book is available for download for everyone else at the USAV Officials Website –
- <https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/>

## Officiating – Rules

# Officiating – Team Requirement

TWO Certified Referees, ONE Certified Scorer, and ONE Certified Adult on roster before first tournament played!

At least one of the coaches on the roster must be a certified referee and be present when the team is officiating. You may attend the junior clinic and take the junior tests to meet this requirement. However, if you want to officiate for an adult team or work junior tournaments you have to attend the appropriate adult clinic and take the adult tests.

There is an online clinic option which will allow you to take the clinic and test online. Everyone will take it online this season.

NOTE – Higher sanction for teams that leave a tournament and do not fulfill their Team officiating requirement for playoffs - \$200.

All necessary clinics are available online in the USAV Learning Management System. Any Carolina Region member may take the clinic online this season.

<https://www.carolinaregionvb.org/online-clinic-information/>

This season we will auto enroll all junior members in the online clinic. They can choose to take the clinic or not. Coaches will need to register themselves in the LMS. Instructions at the Online Clinics section of website.

Clubs may choose to Host a supplemental in person clinic to reinforce what is learned during the online clinics. They may contract with approved clinicians to come give this clinic. This is recommended for the younger age groups.

## Officiating Clinics

Your officiating status will be kept and updated in your online Account under “Credentials”.

Click the Credentials tab inside the Carolina Regional Volleyball Membership box (view details). Officiating certifications will show under “Training and Education”.

Click the USAV Academy box upper right to go to Academy to access your courses.

# Tournament Entries

- Tournaments generally every available weekend again this season. There is a Sunday tournament every weekend for an age group – check schedule carefully.
- Deadlines are TWO weeks before tournament – must be RECEIVED (not postmarked) by deadline.
- Tournament Entry Process (One-day tournaments on the Region Schedule ONLY)
  - Online – Go to Online Payments Page (linked under Info Tab) - <https://www.carolinaregionvb.org/online-payments-page/>
  - Mail in Tournament Entry Form (Documents & Forms page) with a check payable to “Carolina Region”. If entering multiple teams/tournaments, please write one check for all entries.

# Professional Officials

Professional Officials will work as First Referee for all pool and playoff matches in the 12's and 13's divisions this season. In those age groups and with the approval of the head coach and supervising official, a certified player referee may work the second set as R1 during pool play (to promote development of already established player refs). For age groups 14's – 18's, the certified Junior Referees will work all Pool play matches. Professional Officials will work all playoff rounds (including tie breakers).

# Tournaments:

- Two-week entry deadline is firm. Monday after deadline, we will assign all entered teams in pools of 4 to sites (last site(s) assigned may have more or less than 4 assigned depending on total entries. Most sites will have 8 or 12 teams and will play ideal 4-team pool format.
- Regular season tournaments will be designated as “SITES”. So, will show as Site 1, Site 2, Site 3...assigned out based on the Rankings. Regional Championship tournaments will show as “Division”: Division 1, Division 2, Division 3...
- Results from each tournament will be entered the Monday after the tournament. New rankings will be calculated and posted.
- Points Rankings will be used to assign teams out to sites for the next tournament in same manner after the deadline.

## TEAM RANKINGS

		<u>SITE 1 (Division 1) - 3 courts</u>		<u>SITE 2-2 courts</u>	<u>SITE 3 - 2 courts</u>

15 Team 15	33 Team 33				
16 Team 16	34 Team 34				
17 Team 17	35 Team 35				
18 Team 18					

# What does this Mean?

- Teams will not know their site until after the Entry deadline!
- Late entries will not be available as much since assigning teams out in ideal 4-team pool increments. If last site(s) assigned have less than ideal 4-team pools, then late entries may be allowed if can shift teams in easy manner and still keep competitive balance.
- No need to “move” teams among “divisions”. Tournament System will rank teams automatically and assign out based on rankings.
- Will have East and West Championships again on March 25/26 & April 1/2 weekends (next slide)

# Regional Championships:

- The Carolina Regional Championship will ALSO be on March 25/26 and April 1/2.
  - Top 4 teams in the RANKINGS from the East and top 4 teams in the RANKINGS from the West will be assigned automatically to the Regional Championships.
  - Will assign to a site in the central part of state as best as possible.
  - All teams must still meet minimum team requirements to be eligible for a Regional Championship Event.
    - All teams must play in THREE Carolina Region Regular season sanctioned events to be eligible for a Regional Championship Event. At least one of those events must have been a Carolina Region one-day tournament. The other two events may consist of any two of the following if held BEFORE the Regional Championship Event:
      - One or Two Carolina Region one-day tournaments
      - Any two-day Carolina Region sanctioned event whose only criteria is date of entry (examples: Quest tournament, Carolina Kickoff, City of Oaks)
      - Only ONE of the following tournaments: a National Qualifier or any other Carolina Region sanctioned event with a restricted access entry criteria (example: MAPL Raleigh).

Teams must enter before Entry deadline to be considered. Late entries will NOT be accepted for the Regional Championships.

–Rosters FREEZE One week before the team's Regional Championship Event. So, teams can make club player movements after entering event if needed so won't have to withdraw based on late injuries or unexpected player losses. A player can still only participate in one Regional Championship event.

# Formats:

- Start at 9:00 am – Coaches Meeting at 8:30 am. All teams must be represented or subject to forfeit of first game.
- FORMATS:
  - 3-team pools (late withdrawals and last site(s) assigned) – Play double-round robin format.
  - 4-team pools – standard round robin
  - 5-team pools (last sites assigned may have this so all teams can play) – standard round robin, play two sets to 25 only starting at 0-0 – top two to Finals).
  - 6-team tournament – two 3-team pools playing round robin full match play. All teams then seeded into 6-team playoff.
- Playing 2/3 matches starting at 0-0. Top 2 teams to playoffs.
- AGAIN for 2023 – There will be no tie-breaker sets played during regular season one-day tournaments or Regional Championship Events! See next slide.

# Breaking Ties:

## NO TIE-BREAKERS FOR REGULAR SEASON TOURNAMENTS AND ALL REGIONAL CHAMPIONSHIPS:

- All two-way ties for a spot in playoffs will be decided by the head-to-head result during pool play. Some pool play formats may have the team playing twice during pool play. If they split matches during pool play, then the tie would be broken by overall match win percentage, set win percentage, or overall point differential. If tied at point differential (rare), they would play one set to 15.
- All three- or four-way ties, would be decided by (1) match win percentage (2) set win percentage, or (3) point differential. If two teams tied at point differential, then the head-to-head result during pool play would decide it.

# Seeding Playoffs:

- No change for 2023 Season!
  - There has been questions about how to seed Undefeated teams into playoffs – especially if one pool had 4 teams and another pool had 3 teams (applies for 3-pool tournaments only)
  - The Carolina Region has established that the highest INITIAL seed in the tournament will go into Pool 1, the second highest seed will be in Pool 2 and the third highest seed will be in Pool 3 (if there are 3 pools). The POOLS will maintain their overall seeding spot in the event there are TWO or MORE UNDEFEATED teams advancing to the Playoffs. Thus, an undefeated team from Pool 1 will be seeded into the Playoffs HIGHER than an undefeated team in Pool 2 and an undefeated team in Pool 2 will be seeded higher than an undefeated team from Pool 3 (if applicable). This applies even if the “top” seed wasn’t the team that went undefeated.
  - NOTE – Undefeated means no losses for SETS AND Matches!

## Pool Setup:

## Admissions:

- One-Day Tournament Hosts “MAY” charge up to a maximum of \$5 for attendees 11 and older that come as spectators to the event.
  - All participants shall not be charged an admission (players, coaches, chaperones, trainers that are on a roster as well as the professional officials).
  - Kids 10 and under shall not be charged an admission.
