

## **Carolina Regional Volleyball Association**

### **Junior Club Transfer Policy**

An individual player may only affiliate and participate with ONE indoor club each USAV indoor season (the USAV indoor season begins on September 1 and concludes at the end of the USA Junior National Championships in July whether a particular club or team chooses to participate in those championships or not).

Petitions to move to a different indoor club during the indoor season will only be considered for:

- (a) movement before the first tournament of the season and at agreement of both clubs (if valid Athlete Letter of Commitment Form signed);
- (b) a club totally disbands before February 1; or
- (c) the athlete moves to a different part of the state than their original club.

If none of the above situations apply, then a player who has played with his or her registered team in USAV-sanctioned junior volleyball season competition is forbidden from transferring to another indoor club for the USAV indoor season. The Carolina Region retains the right to approve or deny a petition for club transfers.

**All Junior applicants agree to this policy annually during the membership registration process. A copy of their agreement is available in their SportsEngine account.**
