The information in these document should be reviewed with the athletes during tryouts and there is a one-page summary of Bill of Rights that can be given to the athletes.

Carolina Region Volleyball

# Club Tryout information

## Tryouts:

- The Carolina Region Board of Directors updated the Tryout Policy last year to reflect the changing realities of Junior Volleyball in the state and country.
- Tryouts may be held for the following USAV season any time after the competition of the current season's USAV Junior National Championships.
- Athletes may formally sign the Carolina Region Letter of Commitment any time after September 1.
- All Clubs should be using the written Carolina Region Letter of Commitment (LOC) to confirm acceptance of club bids. Accepting of bids will also be confirmed inside the MMS (more later), but the Region will only recognize the written LOC if there is a dispute.

# Club Registration- 2024 Season

## Clubs Register Annually with the Region:

- First step a Club Director should take each season
- Registration Link is at the Forms Section (Junior Club Director section):
  - <https://carolina-regional-volleyball.sportngin.com/register/form/250295897>
- If you're a new Club, this will start the process of SportsEngine creating your Club HQ
  - The 5-letter Club Code will be generated by the Region upon receipt and club will be added to our Club Directory in the Tournament System.
- Returning clubs will continue to use the HQ set up in previous seasons. Add Admins as needed.
- All clubs must have a Club HQ in order to submit team info to the Region. Clubs only need the Free Club HQ. SE also offers a Premium HQ option for additional resources in running your club. This is optional and not required to register with the Region.

## How do you access your Club HQ:

# Club HQ- How to Find

- After SportsEngine has created your HQ, how do you access it?
  - Log in to your SE Account - <https://app.sportnjin.com/user>
  - In upper right of your account is Box labeled “My Organizations” – click and choose your club name to access the HQ page.

The screenshot shows the SportsEngine web application interface. At the top left is the 'sportsengine' logo. Below it is a navigation menu with options: Home, Household, Schedule, Teams, Bills, Registrations, Apps, and Settings. The 'Home' option is currently selected. The main content area displays 'Upcoming Events' with a 'Nothing Scheduled' message, 'My Teams' with a 'No Teams' message, and 'Upcoming Payments' with a 'No Upcoming Payments' message. At the bottom, there is a banner for downloading the SportsEngine app from the App Store and Google Play. In the top right corner, there is a 'My Organizations' dropdown menu, which is highlighted by a large green arrow pointing to it. Other icons for chat, email, and notifications are also visible in the top right.

# Individual Registration 2024 Season

## Preferred Method to Add Players/Coaches:

- SE has improved the process of affiliating athletes and coaches with your club.
- Getting individuals their correct membership this season should also be improved.
- KEY – only send an invite to affiliate with your club once they have OFFICIALLY committed to your club through your club's bid acceptance process (which hopefully uses the CR LOC also).
- To have a coach or athlete affiliate with your club:
  - In your HQ account – go to the Members menu section
  - Choose Memberships
  - Click the Generate an open link in the Public Club Assignment box and copy that link
  - Send that link by email to your families/coaches. When they click it, they will go through the Quizzard to buy a membership and be affiliated with your club all in one process.

### Public Club Assignment

Generate an open link you can share to add members to your club. Upon purchase, new members will be added to your directory.

# Registration Information

<https://www.carolinaregionvb.org/registration/>

Alternate way to access Quizzard, but clubs will still need to send athletes and coaches an invite to be able to view them and add to a roster.

All participants (teams and individuals) must be registered at least one week before participation.

- NOTE: Thursdays before with LATE fee. NO ROSTER ADDITIONS ON THE DAY OF THE TOURNAMENT!!

USA Volleyball.

# MEMBER MANAGEMENT SYSTEM

- Clubs can buy memberships for their coaches that are in their directory. Coaches will then go claim the membership, create SE account if needed, and complete the requirements associated with that membership (waivers, SafeSport, IMPACT, etc).
- Clubs should let all families buy their own memberships. Parent/Guardian will create a SE account and can then add household members underneath to buy memberships (family accounts-one login!)

Carolina Region Volleyball

USA Volleyball.

# MEMBER MANAGEMENT SYSTEM

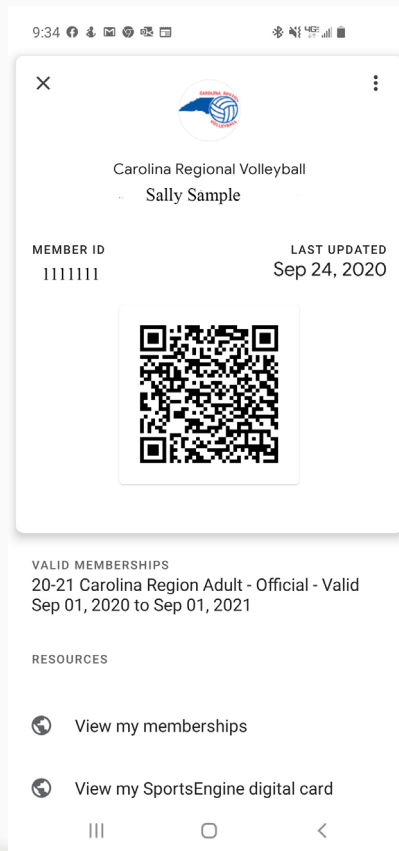

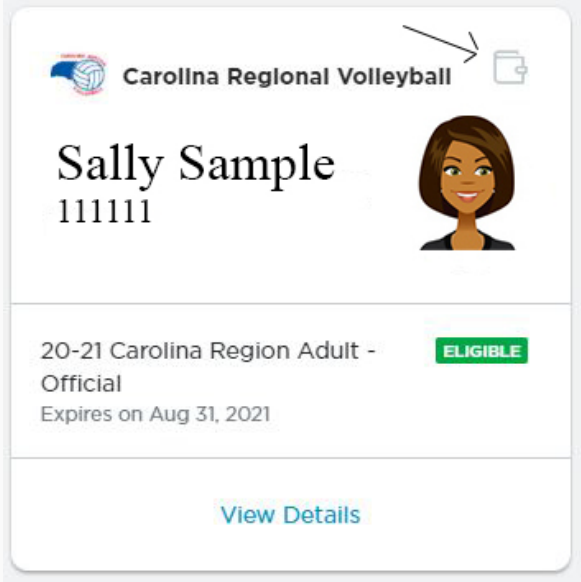

- **18's Memberships**
- If a member will turn 18 at any point during the season, the system recognizes that automatically. The required SafeSport course will be added to their account. They will not be eligible to be added to a roster until they complete the course.
- There will be 17 year old's that are eligible to play on a 17's team, that will be prompted to purchase the 18's membership and take SafeSport. This is legitimate. Their birthdate is in July or August of 2024 and the 2024 season does not end until 8/31/2024. Just have them complete the purchase and take SafeSport. They can still be added to a 17's roster.

Member cards are Digital. Welcome email will have a link to digital card. Can also access from your SE Profile (Household). Add to Apple Wallet or Google Pay.

# Club Admins-Club HQ

## Club Administrators

- Clubs will need to claim an HQ account inside of their SE account this season to run their club.
- Bookmark this page on our website for reference to all things Club Directors need regarding the system:
  - <https://www.carolinaregionvb.org/clubsnewmms/>
- Each Club will have one main administrator. Can assign additional but they must clear USAV screen and have SafeSport to remain an administrator.
- At above page is instructions on how to add the Region Office to your Directory and then as an Administrator also. This will allow us to help you with tasks as needed.

## Handled All Online

- Two step process:
  - Step 1 - Build team and roster inside your Club HQ. Refer to current Club Admin – SE PlayBook for step by step guidance
  - Step 2 - Only after MMS creation – submit additional details in our Tournament System ([use this link](#) – also at Forms page):
    - Once we receive both of above, we will invoice the Club Director inside the MMS for the Team Fees.
      - Must include at least 6 players and one coach to be a valid team (you can add players/staff later inside MMS).
      - Team is classified at level of the oldest player on the team (regardless of whether they attend an event or not)
    - Early Bird Deadline is December 1. Teams can still be formed at any time after that at regular team fee. Team registrations per above must be completed at least two weeks before participating in an event (tournament entry deadline is 2 weeks).

# Team Registrations

Carolina Region Volleyball

USA Volleyball.

CR Tournament System Teams Registration Form will ask:

- DIVISION: East or West team - All teams split into East and West again. Imaginary North/South line through Greensboro area is the “dividing” line. You will choose age group and location – i.e. JR-18-West or JR-14-East, etc.
  - QUINTILE: Indicate where you think team will fit among all teams in age group:

Group 1-Top 20%; 2 - 21-40; 3-41-60; 4-61-80; or 5-bottom 20%.

- The grouping you select will determine your initial starting points in the Region Tournament System.
- These points overlap other age groups. Reasoning is the top of one age group is competitive with the bottom of their adjacent age group (and vice versa).
- Team Reps – MUST have unique Rep for each team. Do NOT list Club Director for every team. Include that team rep’s phone number.

Teams -  
Initial  
Group/Ranki

Carolina Region Volleyball

# Junior Advisory Board

- IMPORTANT – each team must designate a unique team representative (as compared to the club director being the team rep for all their teams) on the online Junior Team Registration Form.
  - One club rep can still handle all the administrative duties (entering into tournaments, etc.) but the unique team rep is for the online system and the Junior Advisory Board.
  - You do not have to register a new member. It can be the coach (for example).
  - All Team Reps automatically become members of the Junior Advisory Board with one vote at the meeting.
- The Advisory Board will meet once a year to primarily set policies and direction for the next season. Next Meeting – May 7, 2024 (Site: ONLINE)
- Participate as needed via e-mail in discussions about issues that pertain to juniors.

USA Volleyball.

# Teams- Initial Rankings

What if we chose wrong “Group” when registering the team?

- Teams may petition the Carolina Region for an adjustment to their initial point’s value that will adjust their next tournaments “division assignment” by one level up/down depending on their request. All petitions must be received in writing by the Region office by Monday noon of the business week following the second Regular season tournament of their age group. CR Staff will evaluate their request and results and may adjust their starting point’s value accordingly.

Carolina Region Volleyball

# Medical Release Forms

USA Volleyball will no longer be requiring the collection/verification of Medical Release Forms at their National-sanctioned events.

For that reason, we are not posting a Medical Release form on our Forms section of the website.

Clubs may still choose to collect a Medical Information/Release form for their players that their coaches may have with them at team activities. We have a generic form available that clubs may utilize if they wish. Email the Region office to request the form.

USA Volleyball.

## Sanctioned Events – Practices/ Tryouts

In order to have a Sanctioned Event (covered under USAV Insurance Program):

- Clubs must notify the Region of all practices/events they want sanctioned.
  - **Notify the Region using the Application for Sanctioning Volleyball Events - Link is at Forms page – Insurance Section. Form is inside the MMS this year. (all electronic) The “account” that submits the form will be able to access inside their “Registrations” tab and will receive email confirmations of submission and Approval/Denial.**
  - **Note – request to host a sanctioned tournament is different form found under the Tournament Director section on Forms page.**

Carolina Region Volleyball

USA Volleyball.

## USAV Insurance Program

Event or Activity must be USAV Sanctioned in order to be covered under USAV Insurance Program:

- General Liability Policy
- Secondary Participant Accident Policy
  - **An Incident Report form is required to be submitted before Insurance Company will consider any claim**
  - **If you request to have your activities/Practices sanctioned, then have Incident Report forms on hand at those events to document any injuries or damage.**
  - **Coaches should have on hand at tournaments. If there are injuries during tournament, make sure the Tournament Director completes an incident report and ask to send to Region office after the event.**

Carolina Region Volleyball

USA Volleyball.

- All Head Coaches must be 18 years old and at least two years older than age group they coach. All coaches must clear the USAV Background Screen program.
- Chaperones are not required (if all coaches over 18)\*.
- A coach may only coach for one club.

## Coaches Information

Carolina Region Volleyball

USA Volleyball.

- Individuals who have reached their 16th birthday may serve as a rostered Assistant Coach for teams that are a minimum of three age groups younger than the coach. Teams utilizing these junior coaches must register a Chaperone 25 or older also to be on the roster and sit on the bench in the event that the Head Coach is not able to finish a match on the bench. In addition, the Head Coach must be 25 or older and must be on the bench to start all matches. These Junior coaches must comply with all coaching prerequisites (IMPACT/JCP/SafeSport) before they can be added to the roster. In the event, the coach turns 18 during the season, they must clear the USAV Background Screen policy and would be governed by the current Coaches' policy.

## “Junior” Coaches Information

- There is a Junior Aged Staff – SafeSport & IMPACT Required membership category that these Junior coaches would select (even if already registered as a junior player). This will attach the requirements they need automatically (and won't charge them if already a member).

Carolina Region Volleyball

USA Volleyball.

All coaches must be IMPACT certified.

- Must meet certification requirement before first tournament.
  - Team must have a certified coach (on roster and present) to play.
  - Coach must be certified before coaching.
- USA Volleyball now offers FREE ON-DEMAND IMPACT. When someone registers with the Coach membership, the system will see if they have IMPACT. If they don't, it provides the link to go take the On-Demand IMPACT clinic automatically.
- AGAIN THIS SEASON– All Adults affiliating with Junior Club must take the SafeSport course (Core or Refresher version)! Per above, upon registration, the system will determine which course the coach needs and provides a link to go take it automatically.

## **PARTICIPANT/ SPECTATOR BEHAVIOR POLICY**

The Carolina Region endorses the principles of the Positive Coaching Alliance and the Honor the Game philosophy. To this end, we have adopted a Participant/Spectator Behavior Policy for unsportsmanlike conduct by all attendees at Carolina Region sanctioned events.

- Please download this policy and go over it with all coaches, parents, and players so we have no issues this season!

# PURPLE CARD SPECTATOR SANCTION POLICY

The Carolina Region has joined with several other Regions in adopting a tool for dealing with inappropriate behavior by spectators at Carolina Region events. We are calling this the Purple Card Sanction Policy. The full policy can be downloaded at link below.

## [Purple Card Spectator Sanction Policy](#)

The policy will apply to all spectators (adults and juniors). Our Professional Officials will now be able to address inappropriate behavior by spectators with use of Purple card

- Purple/Yellow together is a Warning
- Purple/Red together is a Penalty and opposing team will be awarded a Point.
- Additional misbehavior governed by Participant/Spectator Behavior Policy.

Please make sure all your families are aware of this policy so no team is penalized this season!

Carolina Region Volleyball

USA Volleyball publishes the Indoor and Beach Rules Books every two years. There is a new rule book for the 2023-2025 cycle.

- We are only providing printed rule books to our Professional officials.
- Rule Book is available for download for everyone else at the USAV Officials Website –
- <https://usavolleyball.org/resources-for-officials/rulebooks-and-interpretations/>

# Officiating – Rules

USA Volleyball.

## Officiating – Team Requirement

TWO Certified Referees, ONE Certified Scorer (or third ref), and ONE Certified Adult on roster before first tournament played!

At least one of the coaches on the roster must be a certified referee and be present when the team is officiating. The certified adult may take the Junior course to meet their requirement. However, if they want to officiate for an adult team or work junior tournaments as a professional referee, they will have to complete the applicable adult curriculum to serve in those roles.

Everyone will take clinics online this season.

NOTE – Higher sanction for teams that leave a tournament and do not fulfill their Team officiating requirement for playoffs - \$200.

Carolina Region Volleyball

USA Volleyball.

## Officiating Clinics

All necessary clinics are available online in the USAV Learning Management System. Any Carolina Region member may take the clinic online this season.

<https://www.carolinaregionvb.org/online-clinic-information/>

This season we will auto enroll all junior members in the online clinic. They can choose to take the clinic or not. Coaches will need to register themselves in the LMS. Instructions at the Online Clinics section of website.

Clubs may choose to Host a supplemental in person clinic to reinforce what is learned during the online clinics. They may contract with approved clinicians to come give this clinic. This is recommended for the younger age groups.

# Officiating Status

Your officiating status will be kept and updated in your online Account under "Credentials".

Click the Credentials tab inside the Carolina Regional Volleyball Membership box (view details). Officiating certifications will show under "Training and Education".

  - We will send an invoice to the Club Director's SE account for payment

## Professional Officials

Professional Officials will work as First Referee for all pool and playoff matches in the 12's and 13's divisions this season. In those age groups and with the approval of the head coach and supervising official, a certified player referee may work the second set as R1 during pool play (to promote development of already established player refs). For age groups 14's – 18's, the certified Junior Referees will work all Pool play matches. Professional Officials will work all playoff rounds.

Carolina Region Volleyball

USA Volleyball.

# Tournaments:

- Two-week entry deadline is firm. Monday after deadline, we will assign all entered teams in pools of 4 to sites (last site(s) assigned may have more or less than 4 assigned depending on total entries. Most sites will have 8 or 12 teams and will play ideal 4-team pool format.
- Regular season tournaments will be designated as “SITES”. So, will show as Site 1, Site 2, Site 3...assigned out based on the Rankings. Regional Championship tournaments will show as “Division”: Division 1, Division 2, Division 3...
- Results from each tournament will be entered the Monday after the tournament. New rankings will be calculated and posted.
- Points Rankings will be used to assign teams out to sites for the next tournament in same manner after the deadline.

## What does this Mean?

- Teams will not know their site until after the Entry deadline!
- Late entries will not be available as much since assigning teams out in ideal 4-team pool increments. If last site(s) assigned have less than ideal 4-team pools, then late entries may be allowed if can shift teams in easy manner and still keep competitive balance.
- No need to “move” teams among “divisions”. Tournament System will rank teams automatically and assign out based on rankings.

# Regional Championships:

- The Carolina Regional Championship will held on the March 23/24 and April 6/7 weekends.
  - Top 4 teams in the RANKINGS from the East and top 4 teams in the RANKINGS from the West will be assigned automatically to the Regional Championships.
  - Will assign to a site in the central part of state as best as possible.
  - All teams must still meet minimum team requirements to be eligible for a Regional Championship Event.
    - All teams must play in THREE Carolina Region Regular season sanctioned events to be eligible for a Regional Championship Event. At least one of those events must have been a Carolina Region one-day tournament. The other two events may consist of any two of the following if held BEFORE the Regional Championship Event:
      - One or Two Carolina Region one-day tournaments
      - Any two-day Carolina Region sanctioned event whose only criteria is date of entry (examples: Quest tournament, Carolina Kickoff, City of Oaks)
      - Only ONE of the following tournaments: a National Qualifier or any other Carolina Region sanctioned event with a restricted access entry criteria (example: MAPL Raleigh).

Teams must enter before Entry deadline to be considered. Late entries will NOT be accepted for the Regional Championships.

–Rosters FREEZE One week before the team's Regional Championship Event. So, teams can make club player movements after entering event if needed so won't have to withdraw based on late injuries or unexpected player losses. A player can still only participate in one Regional Championship event.

## Breaking Ties:

### NO TIE-BREAKERS FOR REGULAR SEASON TOURNAMENTS AND ALL REGIONAL CHAMPIONSHIPS:

- All two-way ties for a spot in playoffs will be decided by the head-to-head result during pool play. Some pool play formats may have the team playing twice during pool play. If they split matches during pool play, then the tie would be broken by overall match win percentage, set win percentage, or overall point differential. If tied at point differential (rare), they would play one set to 15.
- All three- or four-way ties, would be decided by (1) match win percentage (2) set win percentage, or (3) point differential. If two teams tied at point differential, then the head-to-head result during pool play would decide it.

## Seeding Playoffs:

- No changes this Season!
  - There has been questions about how to seed Undefeated teams into playoffs – especially if one pool had 4 teams and another pool had 3 teams (applies for 3-pool tournaments only)
  - The Carolina Region has established that the highest INITIAL seed in the tournament will go into Pool 1, the second highest seed will be in Pool 2 and the third highest seed will be in Pool 3 (if there are 3 pools). The POOLS will maintain their overall seeding spot in the event there are TWO or MORE UNDEFEATED teams advancing to the Playoffs. Thus, an undefeated team from Pool 1 will be seeded into the Playoffs HIGHER than an undefeated team in Pool 2 and an undefeated team in Pool 2 will be seeded higher than an undefeated team from Pool 3 (if applicable). This applies even if the “top” seed wasn’t the team that went undefeated.
  - NOTE – Undefeated means no losses for SETS AND Matches!
