CERTIFICATIONS AND STANDARDS

The majority of the following information was taken from the USA Volleyball's Officials page and modified where needed to Carolina Region policies. Contact the Carolina Region Referee Chair, [Stephen Shepherd](#) for additional information.

Information on Becoming a Certified USAV Official

Certification of Volleyball referees for USA Volleyball and RVA sanctioned indoor competition is under the jurisdiction of USA Volleyball, the Officials Division and the Regional Volleyball Associations (RVA's). USA Volleyball also has the responsibility to train and identify candidates for certification as international referees by the FIVB. USA Volleyball has established these classifications of referees for indoor volleyball:

- Junior
- Provisional
- Regional
- USA Volleyball Junior National
- USA Volleyball National
- USA Volleyball National (Retired)
- Provisional USA International Referee

A candidate who is currently certified by the Professional Association of Volleyball Officials (PAVO) may receive a Region referee certification (Provisional or Regional) without meeting the practical rating requirement provided their ratings are current and were by members of the joint raters list (a Local becomes a Provisional, a State or National becomes a Regional). All other requirements (Carolina Region membership, clinic attendance, referee and scorekeeper examinations, and passing a background screen required for working junior tournaments) must be met annually.

Junior, Provisional, Regional, Junior National (Retired), National (Retired), and other certifications as developed within the Region (Junior Regional and Adult Team) are certified through their respective RVA under the supervision of the Regional Referee Chair, in cooperation with the Regional Commissioner and according to prescribed criteria.

USAV Junior National and National referees are certified by the National Indoor Officials Commission upon the recommendation of the National Officials Development Program.

In accordance with Article 8, Section B 1 of the Operating Code (USAV), all referees must be registered with USA Volleyball through their local RVA for the current season.

For those interested in UPGRADING your Referee certification, review the information below for the new certification and then review [Professional Officials Certification Upgrade Information](#) . Referees interested in upgrading to a Provisional 2, Regional 1, or Regional 2 certification must get their [application](#) in by January 15 of each season.

Click on the appropriate section header below for additional information about the certification for which you applied. Note: Scroll down to see each certification available and its requirements.

OFFICIALS ACCELERATED ADVANCEMENT PROGRAM

The Carolina Region Officials Accelerated Advancement Program provides an avenue for an official to receive more training in a shorter amount of time. This program could possibly take an official that has a Provisional 1 certification and ready them for a Regional 2 certification in three seasons. The OAAP is also the avenue for CR Officials to advance to obtain their Junior National and National certifications.

PROFESSIONAL REFEREES DUTIES AND CHECKLISTS

MANAGING A COURT

- Pre-match
 - o Check net height, know the correct net height in the rule book for each age group
 - o Check ball pressure, know the correct pressure in the rule book (4.26 – 4.61 psi)
 - o Make sure antennae are straight and lined up properly. Use net chain to align. They should be just outside the sideline
 - o Do you have score sheet, Libero tracking sheet, 2 line-ups, pens, pencils? (Contact Tournament Director if anything is missing)
- Coin Toss – gather captains as soon as court is clear and playing teams have arrived (no more than 15 min. prior to match time for 1st match, all other matches are ASAP)
 - o Assign Head/Tails to each team and flip coin, do not turn over after flip
 - o Winner options are Serve/Receive/Side
 - o Loser options are the remaining two
 - o If at least 1 team hasn't played yet, then warm-ups are 2-4-4 (2 min to pepper/stretch, 4 min to serving team, 4 min to receiving team), If both teams have played, skip the 2 min to pepper/stretch and go straight into the 4-4. Serving Team gets the first 4 min. If using 2 min, it starts when teams get on the court prior to coin toss.
 - o Start warm-ups
 - o Find out who the head coaches are and hand line ups out. (Head coaches are the only ones that can talk to R1/R2, and only one to request TO)
 - o Know who the work team is, they may have just played and are taking equipment off, they should come to score table as soon as they can. Do not wait for work team to arrive before conducting coin toss and warm-ups
- Talk to Line Judges
 - o Are there 2 LJ's or are they going to switch, need all LJ's present to talk to pre-match
 - Need a call on every play no matter how obvious (In, Out, Touch)

 - Timeout – LJs to center of back line with ball Carolina Region Professional Referees Duties and Checklist 2

 - o Net Fault – contact with the NET between and including the antennae while making a play on the ball is a FAULT, blow whistle, step to fault side, show net fault and point at player at fault with an open hand
 - o Centerline Fault – it's OK to step across into opponents playing space, provided some part of body is on your side and they are not interfering with player or presenting a safety hazard. Foot landing on other side under blocker/attacker is a safety hazard and should be called, blow whistle, step to fault side and point at centerline with open hand
 - o Repeat all R1 signals except beckon for serve and net serve fault.

 - End times recorded
 - Winner of each set recorded, and winner of match recorded
 - If 3rd set was played, ensure correct information recorded on both sides
- Time Management (very important)

 - o At the end of the previous match, if you have 2 teams ready to warm up, do the coin toss and start their warm-ups
 - o Do not let the scorers go until they are COMPLETELY finished.

If the Professional Official is facilitating the junior work team, you need to assist the R1 and R2 in making the right call, especially ball handling. VETERAN officials can work their way around the court encouraging the members of the work team and offering helpful feedback if needed. Officials should always pay attention to the action on the court and make sure the correct calls are made.

DO NOT PUT YOUR HANDS ON THE PLAYERS, NO MATTER HOW INNOCENT YOUR INTENTIONS MAY BE. DO NOT SIT DOWN

KNOW HOW TO KEEP SCORE! Keep score on your off matches until you know how to do it completely and effectively. Look at the example in the USAV rule book. Do the play-by-play and then compare it to the final score sheet when finished. Understand your mistakes and fix them and do it again.

CR PURPLE CARD POLICY

I. Purpose of Purple Card Sanction Policy

The purpose and intent of the Purple Card Sanction policy is to give a more effective tool for Professional officials to address and sanction any inappropriate or prohibited behavior exhibited by any CR Region member (adult or junior), parent, or spectator attending and observing any CR Region-sponsored tournament match. This policy is further intended to aid in preserving a respectful playing environment for all participants and maintain the safety and protection of all CR Region members. This policy outlines the procedural usage of the "PURPLE" card, which supplements the yellow and red sanction cards currently used by Professional Referees (as dictated by the DCR). The Carolina Region Participant/Spectator Behavior policy remains in effect.

II. Prohibited Behavior:

- a. Prohibited behavior would include, but not be limited to, any comment(s) made or action(s) displayed, deemed by others as rude, profane, disrespectful, disruptive or aggressive, which interferes with the normal progress of a tournament match.
- b. Any behavior prohibited by USAV and the CR Region Code of Conduct policies.
- c. Any misconduct deemed contrary to normally accepted behavior, which results in the unnecessary interruption of a tournament match.

III. Policy Overview:

This policy applies to the following:

- a. Any CR Region adult member, i.e. club directors, coaches, rostered adult(s) or chaperones NOT currently participating in the match and who has assumed the role of spectator.
- b. Any CR Region junior player NOT currently participating in the match and who has assumed the role of spectator. See Section VI for sanction guidelines for junior players.
- c. Any non-Region member, i.e. parent(s) or relative(s) of any CR Region member.
- d. Any attendee or spectator of any CR Region-sanctioned tournament match.

This policy will be in effect for all Carolina Region one-day Regular Season events that appear on our approved Tournament Schedule as well as all Carolina Regional Championship events. Multi-day special events (Quest, Queen City, City of Oaks, MAPL Raleigh, etc.) as well as any other one-day special events (found in the Other events list below our regular schedule) that are sanctioned by the Carolina Region may also choose to

have this policy in force during their events. The Tournament Administration for each of those events will make their own determination whether to use the policy and will communicate their status to tournament participants before the event.

IV. Policy Applications:

- a. The use of yellow and red card sanctions will remain in force for all match participants, according to the policies and procedures set by the USA Volleyball Domestic Competition Rules (DCR).
- b. Use of the “Purple” Sanction card may be applied to any situation during a match where spectator misbehavior occurs and the First Referee (R1) deems it necessary to address the misbehavior. NOTE: The Professional Referee may enforce any applicable sanctions while on the stand or while performing his/her training duties on the floor during pool play.
- c. For misconduct by anyone before or after a match has ended, the Participant/Spectator Behavior Policy will be in effect and administered by the Tournament Director.

V. Application of the Purple Warning Card:

- a. Minor Misconduct
 - i. It is the duty of the First Referee to attempt to prevent spectators from reaching the sanctioning level. This can be done in two stages:
 - 1. Stage 1: Verbal Warning
 - 2. Stage 2: Issuance of Purple and Yellow Card Warning - This warning is issued to the team in which the offending spectator is affiliated. The First Referee shall hold up the Purple and Yellow cards in one hand to formally issue a Warning for that spectator. Both team captains are then summoned to the referee stand. The game captains will notify their head coach that a spectator potentially affiliated with their team has reached the sanctioning level. Once either head coach determines affiliation, that head coach must inform the offender of the warning. This formal warning is not in itself a penalty but a symbol that misconduct has reached the sanctioning level for the match.
 - 3. In the event the offender refuses to identify their team affiliation or fails to comply with the First Referee's request for identification, that offender is subject to a more serious sanction, including expulsion from the playing facility for the remainder of the tournament day (Participant/Spectator Behavior Policy).
 - ii. Purple card warnings are assessed to the affiliated team and are in force for the entire match. This means that each team may only receive one purple card warning.
 - iii. Purple card warnings are recorded in the score sheet but have no immediate consequences.
- b. Misconduct Leading to Sanctions
 - i. Inappropriate conduct by a spectator or parent toward officials, playing teams, other parents or spectators is classified in three categories according to the seriousness of the offense.
 - 1. Rude Conduct: actions contrary to good manners or moral principles
 - 2. Offensive Conduct: defamatory or insulting words or gestures or any action expressing contempt.
 - 3. Aggression: actual physical attack or aggressive or threatening behavior

c. Sanction Scale

- i. According to the judgment of the First Referee and depending upon the seriousness of the offense, the sanctions to be applied and recorded on the score sheet are **Penalty, Expulsion and Ejection/Ban**.
 1. **Penalty**: Rude or minor offensive conduct in the match by any parent or spectator is penalized with a point and service to the opponent.
 2. **Expulsion**: Serious offensive misconduct by any spectator requires expulsion from the playing facility for the remainder of the tournament day with no other match consequences.
 3. **Ejection/Ban**: Aggressive misconduct, e.g. physical attack, implied or threatened aggression, by any spectator requires automatic ejection from the tournament facility and the individual is banned from any future CR Region sanctioned tournaments for the remainder of the entire current season. No other match consequences are applied.

d. Application of Misconduct Sanctions

- i. When Penalty sanctions are issued, it is displayed as Purple and Red cards held up jointly in one hand.
- ii. When Expulsion sanctions are issued, it is displayed as Purple and Red cards held up separately.
- iii. When Ejection/Bans are issued, no cards will be displayed. The First Referee immediately stops the match and secures the safety of those in the match.
- iv. All Expulsions or Ejection/Bans require the notification and involvement of the Tournament Director for the following purposes:
 1. Documentation – Comment on the Score sheet. The TD will also need to fill out the Participant/Spectator Behavior Policy Report form.
 2. Secure the removal of the offender from the facility.

NOTE: Upon the refusal of the offender to vacate the playing facility, local law enforcement will be notified immediately.

- v. All misconduct sanctions are individual sanctions, remain in force for the entire match, and are recorded on the score sheet.
- vi. Repetition of misconduct by the same spectator in the same match is sanctioned progressively, which means that a more severe sanction is given for each successive offense.
- vii. Expulsions or Ejection/Bans - offensive or aggressive misconduct does not require a previous sanction.

- e. Reinstatement Spectators sanctioned with an Ejection/Ban will receive an official notice through the Region Office. All major sanctions are accompanied by a copy of the Region Due Process Policy. Sanctioned individuals will have the ability to appeal any sanctions as outlined in the Due Process policy.
