1. 2026 Season Update:
To date 115 clubs have registered for the 2026 season. 20 of them are new clubs. We have about 1350 Adults and 6800 Juniors registered so far. Bruce suggested we reach out to the new clubs to find out why they registered and offered help. Kevin will get the list to Doug and Doug will recruit some other board members to make contact with them. We can use the feedback to improve our new club resources.
2. RTDP Coach and Player Clinic updates:
We currently have 103 Players and 17 Coaches signed up for our RTDP clinics on November 2. We have confirmed college coaches from High Point and Campbell coming to help. Coach Sagula has agreed to come to the Coach Clinic and is interested in being involved moving forward. We are getting some clinic materials from Jenny Johnson at USAV. Kevin Moore from USAV NTDP will be leading the player training. We hope to offer additional RTDP Clinics in January and April/May. We are continuing to explore forming at least one team to compete in the All Star Championships.
3. RVAA/USAV Oct Meeting recap:
RVAA held in Denver weekend of Oct 11-12. First meeting since USAV removed region status from Southern California Region. Many regions are anxious to see what's next. USA is putting together a Local Affiliated Organization (LAO) agreement that regions will need to sign. USAV will have a new Member Management System for 2026-2027 season. They showed a demo of work done so far. Krista reviewed the Body Confidential Program which was discussed during the meeting. We have sent information out to our clubs on this. We will host the Oct 2026 RVAA meetings in Charlotte with the Palmetto Region.
4. President Board appointments (online vote):
Chuck has had to resign as Secretary due to personal time constraints. Doug will be appointing a replacement from the Board. Doug and Kevin will research the Bylaws and talk in the morning about his nominations. Kevin will send a survey out to the Board to approve the nominations once Doug confirms the nominees will serve.
5. Additional Items:
Tony asked about the Boys High School officials training. He is worried if it gets sanctioned, the current high school officials training done by the NCHSAA will not be sufficient to handle the differences in the Boys game. Although we won't have any oversight over Boys HS volleyball once it is sanctioned, we can certainly offer our aid in training their officials. Tony will discuss a way to move forward on this with Sarah.
6. Next Meeting – (Board)- Dec 8 (Online); Executive Committee – Nov 10 (online)
7. Adjourn.
